

§ 1403.10

7 CFR Ch. XIV (1-1-05 Edition)

(2) With respect to debts not resulting from a statute, regulation, contract or agreement containing specific provisions for late payment interest and payment due date, late payment interest shall begin to accrue from the date on which notice of the debt is first mailed or hand-delivered to the debtor, except that, with respect to debts resulting from price support loans, late payment interest shall begin to accrue from the date on which a claim is established.

(3) The rate of late payment interest initially assessed will be fixed for the duration of the indebtedness, except when a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement. CCC may then set a new rate of interest which reflects the late payment interest rate in effect at the time the new agreement is executed. All charges which accrued, but which were not collected under the defaulted agreement, shall be added to the principal to be paid under a new repayment agreement.

(4) The late payment interest on delinquent debts will accrue on a daily basis.

(e)(1) Except as specified in paragraphs (a)(2) and (e)(2) of this section, an additional interest rate of three (3) percent per annum will be assessed on any portion of a debt which remains unpaid 90 days after the date described in paragraph (d)(1) or (d)(2) of this section, if no repayment schedule satisfactory to CCC has been agreed upon. Such rate will be assessed retroactively from the date late payment interest began to accrue and apply on a daily basis. Such rate shall continue to accrue until the delinquent debt has been paid.

(2) With respect to debts resulting from price support loans, an additional interest rate of three (3) percent per annum will be assessed on a portion of a debt which remains unpaid 60 days after the date on which a claim was established. Such rate will be assessed retroactively from the date of claim establishment and apply on a daily basis. Such rate shall continue to accrue until the delinquent debt has been paid.

(f) CCC shall assess as administrative charges the additional costs of proc-

essing delinquent debts against the debtor, to the extent such costs are attributable to the delinquency. Such costs include, but are not limited to, costs incurred in obtaining a credit report, costs of employing commercial firms to locate debtor, costs of employing contractors for collection services, costs of selling collateral or property to satisfy the debt.

(g) When a debt is paid in partial or installment payments, payments will be applied first to administrative charges, second to additional interest assessed in accordance with paragraph (e) of this section and late payment interest, and third to outstanding principal.

**§ 1403.10 Waiver of late payment interest, additional interest and administrative charges.**

(a) Except for debts resulting from price support loans, CCC shall waive the collection of late payment interest and administrative charges on a debt or any portion of a debt which is paid within 30 days after the date on which late payment interest began to accrue.

(b) CCC may waive the assessment and collection of all or a portion of the additional interest on debts which are appealed in accordance with 7 CFR part 780, or other applicable appeal procedures, from either the date of the appeal or the date of delinquency, as determined by CCC, until the date a final administrative determination is issued. However, with respect to CCC programs administered by the Foreign Agricultural Service, CCC shall waive the assessment and collection of additional interest on debts which are appealed in accordance with 7 CFR part 780, or other applicable appeal procedures, from the date of delinquency until 30 days after the date of the letter informing the appellant of the final administrative determination. The waiver provisions of the paragraph shall not apply during any period of delay due to:

(2) The appellant's request for an additional time following the hearing to

### § 1403.11 Administrative appeal.

If the opportunity to appeal the determination has not previously been provided under part 24 or 780 of this title or any other appeal procedure, a debtor may obtain an administrative review under part 780 of this title, or other applicable appeal procedures, of CCC's determination concerning the existence or amount of a debt, if a request is filed with the authority who made the determination within 15 days of the date of CCC's initial demand letter, unless a longer period is specified in the initial demand letter.
