## § 1464.2

### § 1464.1 Administration.

(a) This program will be administered by the Tobacco Division, FSA, under the general direction and supervision of the Executive Vice President, CCC. The program will be carried out by cooperative marketing associations (hereinafter referred to as "associations") acting on behalf of their producer members. To obtain a price support loan, an association must enter into a loan agreement with CCC. The loan agreement will set forth terms and conditions for making price support available to producers. To the extent provided in the loan agreement, an association shall meet the eligibility requirements for price support prescribed in the Cooperative Marketing Associations Eligibility Requirements for Price Support (part 1425 of this chapter), as amended. CCC reserves the right to restrict the number of associations with which it will contract. In so doing, CCC will select such associations as it deems necessary or desirable to effectuate the purposes of the program with a maximum of efficiency and economy of operations. The names of such associations may be obtained from the Tobacco Division, FSA, U.S. Department of Agriculture, P.O. Box 2415, Washington, DC 20013.

(b) Each year CCC will make loans to associations. The associations in turn will make price support advances available to eligible producers either directly or through auction warehouses. The tobacco on which producers receive price support advances will serve as security for the loans. Loans made to associations will include not only the initial loan value of the tobacco, but also amounts to cover costs of receiving, processing, storing, and selling the loan tobacco, including that part of overhead costs not borne by the association pursuant to § 1464.4. Associations will be authorized to enter into contracts for these services through the usual trade channels. Loans also may include amounts to cover any Federal and State income taxes which the associations are required by the Internal Revenue Service or State governmental body to pay on

income received from the sale of loan tobacco.

### § 1464.2 Availability of price support.

(a) *Kind of tobacco.* Price support will be available to eligible producers on the following kinds of eligible tobacco subject to conditions listed in §§ 1464.7 and 1464.8 respectively.

Flue-cured tobacco, types 11, 12, 13, and 14.  
Kentucky-Tennessee Fire-cured tobacco, types 22 and 23.  
Virginia Fire-cured tobacco, type 21.  
Virginia Sun-cured tobacco, type 37.  
Dark Air-Cured tobacco, types 35 and 36.  
Burley tobacco, type 31.  
Cigar filler and binder tobacco, types 42, 43, 44, 53, 54, and 55.

(b) *Method of providing price support—*  
(1) *Through auction warehouses.* (i) Price support will be available for each lot of eligible tobacco offered for sale at auction warehouses which have contracted with an association, on a form of agreement approved by CCC, to make price support advances to producers on behalf of the association. Producers will deliver their tobacco to auction warehouses which will display the tobacco and offer it for sale at auction. Each contract between an association and an auction warehouse will require the auction warehouse to see that producers are informed that price support advances are available for each lot of eligible tobacco offered for sale at auction when the final bid is less than the price support rate available for the grade of eligible tobacco comprising such lot. For Flue-cured and Burley tobacco, the associations' contracts with auction warehouses will also require the auction warehouses to mark any tobacco sale bill "No Price Support" if the marketing of the pounds of tobacco covered by such bill will result in the producer marketing in excess of 103 percent of the producer's effective farm marketing quota. Producers will receive price support advances from the warehouse operator for any tobacco to be consigned by the warehouse operator to the association. Price support advances will be paid to the producer at the time the warehouse operator settles with the producer for the entire
