§ 1464.604 Definitions.

The definitions set forth in this section shall apply to the administration of TOPP under this subpart. The definitions in §§ 718.2 and 723.104 of this title also apply to TOPP. The definitions in this section apply rather than the definitions in §§ 718.2 and 723.104 of this title to the extent that the definitions in those sections differ. The following terms shall have the following meanings:

Controller means that person or entity who, as determined by the Deputy Administrator, controls the land used to produce eligible tobacco and share in the risk of production.

Eligible person means an owner, or (as applicable) controller of a farm for which a basic quota or allotment was established for the 2002 crop year under part I of subtitle B of title III of the Agricultural Adjustment Act of 1938 to the extent otherwise provided in these rules. Growers of that tobacco, as specified in this part, can also be eligible for payment. For this TOPP, an eligible person's status, as owner or controller or grower, will be determined as of July 1, 2002.

Eligible tobacco means each of the following kinds of tobacco: Flue-cured tobacco (types 11, 12, 13 and 14), burley tobacco (type 31), Virginia sun-cured tobacco (type 37), fire-cured tobacco (types 21-23), dark air-cured tobacco (types 35-36), and cigar filler/binder tobacco (types 42 through 44, 54 and 55).

Grower means for flue-cured tobacco and cigar binder tobacco, a "producer," as defined below, for all other eligible tobaccos, as "grower/tenant," as defined below.

Grower/tenant means a person or entity who provides labor to produce tobacco and share in the risk of production.

Owner means with respect to a quota or allotment farm the person or entity who owns the land for which the tobacco quota or allotment was established for the 2002 crop as of the operative status date of July 1, 2002 provided for in this part.

Payment pounds means the pounds of tobacco for which a person is eligible to be paid under this subpart.

Producer means a person or entity actively engaged in planting, growing, harvesting, and/or marketing of tobacco, or who shares in the risk of producing the crop.

Share in the risk of production means having a direct financial stake in the success of the crop through a direct share in the actual proceeds from the actual marketing of the crop which share is conditional upon the success of that marketing. Farm owners who cash-lease their farmland to a tobacco producer for the right to grow tobacco on that land and receive payment for such right regardless of whether or not a tobacco crop is marketed are not considered to share in the risk of production. Farm laborers who provide service in exchange for a wage and whose payment is not subject to the marketing of the tobacco crop are not considered to share in the risk of production.

TOPP means the Tobacco Payment Program.

§ 1464.605 Sign up.

(a) To apply for TOPP funds, persons must submit an application to the county FSA office by the date established by the Deputy Administrator. Late applications may be accepted if approved by the Deputy Administrator, if the lateness was the result of documented hardship.

(b) Data furnished by the applicant will be used to determine eligibility for program benefits. Furnishing the data is voluntary; however, without it program benefits will not be provided.

§ 1464.606 [Reserved]
