## § 1468.25

(b) The maximum amount of annual payments which a person may receive under the CFO for any fiscal year shall not exceed the total of the amounts calculated in accordance with paragraph (a) of this section after being limited as follows:

(1) The payment calculated in accordance with paragraph (a)(1) of this section is limited in accordance with CRP payment limitation provisions set forth in part 1410 of this chapter.

(2) The payment calculated in accordance with § 1467.9(a)(2) of this chapter is not limited.

(3) The payment calculated in accordance with § 1466.23(a)(3) of this chapter is limited in accordance with EQIP payment limitation provisions in § 1466.23(b) of this chapter.

(c) The regulations set forth at part 1400 of this chapter will be applicable in making payment eligibility determinations for CFO and in making person determination as they apply to the limitation of payments determined in accordance with paragraph (b) of this section.

(d) The CCC cost-share payments to a participant shall be reduced so that total financial contributions for a structural or vegetative practice from all public and private entity sources do not exceed the cost of the practice.

(e) A landowner or producer that enrolls in CFO and terminates a CRP or EQIP contract or WRP cost-share agreement will be eligible to receive payments for practices which have been determined, established, or completed by the technical agency under those contracts or agreements. Once the CFO contract is effective, all payments for practices, including any practice transferred from the terminated contract agreement will be made under the CFO contract, except for payments already earned under prior contracts or cost-share agreements.

(f) Payments will not be made to a participant who has applied or initiated the application of a conservation practice for the purposes of CFO prior to approval of the CFO contract.

(g) When requested by the State Conservationist on a case-by-case basis, the Chief may approve, based upon availability of funding, cost share on the reapplication of a practice to re-

place or repair practice destroyed by unusual circumstances beyond the control of the landowner.

(h) The participant and NRCS must certify that a conservation practice is completed in accordance with the conservation farm plan to establish compliance with the contract before the CCC will approve the payment of any cost-share, incentive, or land retirement payment.

### § 1468.24 Contract modifications and transfers of land.

(a) The participant and CCC may modify a contract if the participant and CCC agree to the contract modification and the conservation farm plan is revised in accordance with CCC requirements and is approved by the conservation district.

(b) The participant may agree to transfer a contract to another eligible owner or operator with the agreement of CCC. The transferee shall assume full responsibility under the contract, including operation and maintenance of those conservation practices already installed and to be installed as a condition of the contract. By agreeing to participate in CFO, CCC may require operation and maintenance of those conservation practices installed under CRP, EQIP, or WRP.

(c) CCC may require a participant to refund all or a portion of any assistance earned under a CRP or EQIP contract, or WRP cost-share agreement that was terminated as a condition of participation in CFO, if the participant sells or loses control of the land under a CFO contract and the new owner or controller does not assume responsibility under the contract.

### § 1468.25 Contract violations and termination.

(a)(1) If it is determined that a participant is in violation of the provisions of this part, or the terms of the contract including portions of the contract that incorporate transferred obligations from CRP or EQIP contracts, or WRP cost-share agreements, CCC will give the participant written notice of a reasonable time to correct the violation and comply with the terms of the contract and attachments thereto,
