§ 1480.1 Applicability.

This part sets forth the terms and conditions of the 2001 and 2002-Crop Disaster Program (CDP). The CDP makes disaster payments to producers who have incurred losses in quantity or quality to eligible 2001 or 2002 crops due to disasters as determined by the Commodity Credit Corporation (CCC) under the Agricultural Assistance Act of 2003 (Pub. L. 108-007).

§ 1480.2 Administration.

(a) The program will be administered under the general supervision of the executive Vice President, CCC, and shall be carried out in the field by Farm Service Agency (FSA) State and county committees.

(b) State and county committees and representatives do not have the authority to modify or waive any of the provisions of this part.

(c) The State committee shall take any action required by this part that has not been taken by a county committee. The State committee shall also:

(1) Correct or require a county committee to correct any action taken by

such FSA county committee that is not in accordance with this part; and

(2) Require a county committee to withhold taking or reverse any action that is not in accordance with this part.

(d) No delegation in this part to a State or county committee shall prevent the Deputy Administrator from determining any question arising under the program or from reversing or modifying any determination made by a State or county committee.

(e) The Deputy Administrator may authorize State and county committees to waive or modify non-statutory deadlines or other program requirements in cases where lateness or failure to meet such other requirements does not adversely affect the operation of the program.

§ 1480.3 Definitions.

The definitions in this section apply to all determinations made under this part. The terms defined in part 718 of this title and 1400 and 1437 of this chapter shall also be applicable, except where those definitions conflict with the definitions set forth in this section. The definitions follow:

Actual production means the total quantity of the crop appraised, harvested or that could have been harvested as determined by the FSA State or county committee in accordance with instructions issued by the Deputy Administrator.

Additional coverage means a plan of crop insurance coverage providing a level of coverage greater than the level available under catastrophic risk protection.

Administrative fee means an amount the producer must pay for NAP for non-insurable crops.

Appraised production means production determined by FSA, or a company reinsured by the Federal Crop Insurance Corporation (FCIC), that was unharvested but which was determined to reflect the crop's yield potential at the time of appraisal.

Approved yield means the amount of production per acre, computed in accordance with FCIC's Actual Production History Program (7 CFR part 400, subpart G) or for crops not included under 7 CFR part 400, subpart G, the
