

apply to any alleged negligence or condition caused by the Owner” so that the first paragraph reads as follows:

“i. To the maximum extent permitted by law, Bidder shall defend, indemnify, and hold harmless Owner and Owner’s directors, officers, and employees from all claims, causes of action, losses, liabilities, and expenses (including reasonable attorney’s fees) for personal loss, injury, or death to persons (including but not limited to Bidder’s employees) and loss, damage to or destruction of Owner’s property or the property of any other person or entity (including but not limited to Bidder’s property) in any manner arising out of or connected with the Contract, or the materials or equipment supplied or services performed by Bidder, its subcontractors and suppliers of any tier. But nothing herein shall be construed as making Bidder liable for any injury, death, loss, damage, or destruction caused by the sole negligence of Owner, otherwise this provision shall apply to any negligence or condition caused by the Owner.”

(b) As an alternative to the indemnification provision required in RUS standard construction contract forms in those jurisdictions that have a legal prohibition against one party indemnifying another for the other’s negligence, the borrower may replace the words “defend, indemnify, and hold harmless” with the words “ shall pay on behalf of” so that the first paragraph reads as follows:

“i. To the maximum extent permitted by law, Bidder shall pay on behalf of Owner and Owner’s directors, officers, and employees from all claims, causes of action, losses, liabilities, and expenses (including reasonable attorney’s fees) for personal loss, injury, or death to persons (including but not limited to Bidder’s employees) and loss, damage to or destruction of Owner’s property or the property of any other person or entity (including but not limited to Bidder’s property) in any manner arising out of or connected with the Contract, or the materials or equipment supplied or services performed by Bidder, its subcontractors and suppliers of any tier. But nothing herein shall be construed as making Bidder liable for any injury, death, loss, damage, or destruction caused by the sole negligence of Owner, otherwise this provision shall apply to any negligence or condition caused by the Owner.”

(c) If the alternative indemnification provision in paragraph (a) or (b) of this section is chosen by the borrower, the language of paragraph (a) or (b) of this section would be inserted in lieu of

paragraph (i) of the section indicated in the RUS standard construction contract forms as follows:

(1) RUS Form 198, Equipment Contract, article IV, section 1(d).

(2) RUS Form 200, Construction Contract—Generating, article IV, section 1(d).

(3) RUS Form 257, Contract to Construct Buildings, article IV, section 1(d).

(4) RUS Form 786, Electric System Communications and Control Equipment Contract, article IV, section 1(d).

(5) RUS Form 790, Electric System Construction Contract—Non-Site Specific Construction, article IV, section 1(g).

(6) RUS Form 830, Electric System Construction Contract—Project Construction, article IV, section 1(g).

§§ 1726.256–1726.299 [Reserved]

Subpart I—RUS Standard Forms

§ 1726.300 Standard forms of contracts for borrowers.

(a) *General.* The standard loan agreement between RUS and its borrowers provides that, in accordance with applicable RUS regulations in this chapter, the borrower shall use standard forms of contract promulgated by RUS for construction, procurement, engineering services, and architectural services financed by a loan made or guaranteed by RUS. (See section 5.16 of appendix A to subpart C of part 1718 of this chapter.) This subpart prescribes RUS procedures in promulgating standard contract forms and identifies those forms that borrowers are required to use.

(b) *Contract forms.* RUS promulgates standard contract forms, identified in the List of Required Contract Forms, §1726.304(c), that borrowers are required to use in accordance with the provisions of this part. In addition, RUS promulgates standard contract forms contained in §1726.304(d) that the borrowers may but are not required to use in the construction of their electric systems. Borrowers are not required to

§ 1726.301

use these guidance contract forms in the absence of an agreement to do so.

§ 1726.301 Borrower contractual obligations.

(a) *Loan agreement.* As a condition of a loan or loan guarantee under the Rural Electrification Act, borrowers are normally required to enter into RUS loan agreements pursuant to which the borrower agrees to use RUS standard forms of contracts for construction, procurement, engineering services and architectural services financed in whole or in part by the RUS loan. Normally, this obligation is contained in section 5.16 of the loan contract. To comply with the provisions of the loan agreements as implemented by this part, borrowers must use those forms of contract (hereinafter sometimes called “listed contract forms”) identified in the List of Required Contract Forms, §1724.304(c).

(b) *Compliance.* If a borrower is required by this part or by its loan agreement with RUS to use a listed standard form of contract, the borrower shall use the listed contract form in the format available from RUS, either paper or electronic format. Exact electronic reproduction is acceptable. The approved RUS standard forms of contract shall not be retyped, changed, modified, or altered in any manner not specifically authorized in this part or approved by RUS in writing on a case-by-case basis. Any modifications approved by RUS on a case-by-case basis must be clearly shown so as to indicate the modification difference from the standard form of contract.

(c) *Amendment.* Where a borrower has entered into a contract in the form required by this part, no change may be made in the terms of the contract, by amendment, waiver or otherwise, without the prior written approval of RUS.

(d) *Waiver.* RUS may waive for good cause, on a case by case basis, the requirements imposed on a borrower pursuant to this part. Borrowers seeking a waiver by RUS must provide RUS with a written request explaining the need for the waiver. Waiver requests should be made prior to issuing the bid package to bidders.

7 CFR Ch. XVII (1–1–05 Edition)

(e) *Violations.* A failure on the part of the borrower to use listed contracts as prescribed in this part is a violation of the terms of its loan agreement with RUS and RUS may exercise any and all remedies available under the terms of the agreement or otherwise.
