

to the number of communities with a population of 2,500 inhabitants or less in all states, territories, and insular possessions. Population will be based upon the Bureau of the Census' latest decennial census.

(b) To be considered eligible for funding from the State reserve during the fiscal year, an application, determined by RUS to be complete, must be postmarked no later than January 31 of the fiscal year.

(c) On April 1 of each fiscal year, RUS will return all unobligated amounts in each state's reserve to the national reserve and will make the national reserve available to eligible entities in any state.

(d) To be considered eligible for funding from the national reserve during the current fiscal year, a completed application, satisfactory to RUS, must be postmarked no later than July 31 of the fiscal year.

(e) Completed applications that are economically and technically feasible, as determined by RUS, will be considered for funding in accordance with the priority requirements set forth in §1738.15 of this part.

**§1738.14 One-time priority for unfunded applications from the broadband pilot program.**

(a) Each application that was submitted and remains unfunded from the broadband pilot program will be given a one-time priority for funding for a loan under this part.

(b) Each applicant will be given 30 days from the date of publication of this part in the FEDERAL REGISTER to resubmit a completed application in accordance with the provisions of this part.

(c) Completed applications submitted within the 30-day time-frame will be considered for financing:

(1) First, where broadband service is not available to residential customers, as set forth in §1738.11 of this part.

(i) Completed applications will be funded on a first-in, first-out basis, as long as funds remain available in the applicable state's reserve.

(ii) When the state reserve is not adequate to fund the next completed application on a first-in, first-out basis, RUS will consider subsequent com-

pleted applications for that state for funding on a first-in, first-out basis. All unfunded, completed applications will be carried forward for consideration for funding from the national reserve.

(2) Second, where broadband service is available to residential customers:

(i) On January 1, 2003, after all new applications submitted under this part proposing to provide service where none is available have been considered under §1738.15(b) of this part, all completed applications will be considered for funding on a first-in, first-out basis, as long as funds remain available in the applicable state's reserve.

(ii) When the state reserve is not adequate to fund the next completed application on a first-in, first-out basis, RUS will consider subsequent completed applications for that state for funding on a first-in, first-out basis. All unfunded, completed applications will be carried forward for consideration for funding from the national reserve.

**§1738.15 Priorities.**

Subject to the one-time priority set forth in §1738.14 of this part, in making loans under this part, priority will be given to eligible entities submitting completed applications for the construction, improvement, or acquisition of facilities and equipment for broadband service in eligible rural communities as follows:

(a) As of October 1 of the fiscal year, completed applications remaining unfunded from the previous fiscal year where broadband service is not available to residential customers, as set forth in §1738.11(b)(1) of this part, will be considered for funding on a first-in, first-out basis, as long as funds remain available in the applicable state's reserve. When the state reserve is not adequate to fund the next completed application on a first-in, first-out basis, RUS will consider subsequent completed applications for that state for funding on a first-in, first-out basis. All unfunded, completed applications will be carried forward for consideration for funding from the national reserve.

(b) New completed applications proposing to provide service where none is
