**§ 1777.21**

should contain documentation to support this determination.

**§ 1777.13 Project priority.**

Paragraphs (a) through (d) of this section indicate items and conditions which must be considered in selecting preapplications for further development. When ranking eligible preapplications for consideration for limited funds, Agency officials must consider the priority items met by each preapplication and the degree to which those priorities are met.

(a) *Preapplications.* The preapplication and supporting information submitted with it will be used to determine applicant eligibility and the proposed project's priority for available funds. Applicants determined ineligible will be advised of their appeal rights in accordance with 7 CFR part 11.

(b) *State Office review.* All preapplications will be reviewed and scored for funding priority at each State Office using RUS Bulletin 1777-2. Funds will be requested from the National Office, Attention: Water and Waste Processing, using RUS Bulletin 1777-3. Eligible applicants that cannot be funded should be advised that funds are not available and advised of their appeal rights as set forth in 7 CFR part 11.

(c) *National Office.* The National Office will allocate funds on a project-by-project basis as requests are received. If the amount of funds requested exceeds the amount of funds available, the total project score will be used to select projects for funding. The RUS Administrator may assign up to 35 additional points that will be considered in the total points for items such as geographic distribution of funds, severity of health risks, etc.

(d) *Selection priorities.* The priorities described below will be used to rate preapplications and in selecting projects for funding. Points will be distributed as indicated in paragraphs (d)(1) through (d)(5) of this section and will be used in selecting projects for funding. A copy of RUS Bulletin 1777-2, used to rate applications, should be placed in the case file for future reference.

(1) *Population.* The proposed project will serve an area with a rural population:

- (i) Not in excess of 1,500—30 points.
- (ii) More than 1,500 and not in excess of 3,000—20 points.
- (iii) More than 3,000 and not in excess of 5,500—10 points.

(2) *Income.* The median household income of population to be served by the proposed project is:

- (i) Not in excess of 50 percent of the statewide nonmetropolitan median household income—40 points.
- (ii) More than 50 percent and not in excess of 60 percent of the statewide nonmetropolitan median household income—20 points.
- (iii) More than 60 percent and not in excess of 70 percent of the statewide nonmetropolitan median household income—10 points.

(3) *Joint financing.* The amount of joint financing committed to the proposed project is:

- (i) Twenty percent or more private, local, or State funds except Federal funds channeled through a State agency—10 points.
- (ii) Five to 19 percent private, local, or State funds except Federal funds channeled through a State agency—5 points.

(4) *Colonia.* (See definition in § 1777.4). The proposed project will provide water and/or waste disposal services to the residents of a colonia—50 points.

(5) *Discretionary.* In certain cases, the State Program Official may assign up to 15 points for items such as natural disaster, to improve compatibility/coordination between the Agency's and other agencies' selection systems, to assist those projects that are the most cost effective, high unemployment rate, severity of health risks, etc. A written justification must be prepared and attached to RUS Bulletin 1777-2 each time these points are assigned.

**§§ 1777.14–1777.20 [Reserved]**

**§ 1777.21 Use of funds.**

- (a) *Applicant.* Funds may be used to:
- (1) Construct, enlarge, extend, or otherwise improve community water and/or waste disposal systems. Otherwise

**§§ 1777.22–1777.30**

improve would include extending service lines to and/or connecting residence's plumbing to the system.

(2) Make loans and grants to individuals for extending service lines to and/or connecting residences to the applicant's system. The approval official must determine that this is a practical and economical method of connecting individuals to the community water and/or waste disposal system. Loan funds can only be used for loans, and grant funds can only be used for grants.

(3) Make improvements to individual's residence when needed to allow use of the water and/or waste disposal system.

(4) Grants can be made up to 100 percent of eligible project costs.

(b) *Individuals*. Funds may be used to:

(1) Extend service lines to residence.

(2) Connect service lines to residence's plumbing.

(3) Pay reasonable charges or fees for connecting to a community water and/or waste disposal system.

(4) Pay for necessary installation of plumbing and related fixtures within dwellings lacking such facilities. This is limited to one bathtub, sink, commode, kitchen sink, water heater, and outside spigot.

(5) Construction and/or partitioning off a portion of dwelling for a bathroom, not to exceed 4.6 square meters (48 square feet) in size.

(6) Pay reasonable costs for closing abandoned septic tanks and water wells when necessary to protect the health and safety of recipients of a grant in paragraphs (b)(1) or (b)(2) of this section and is required by local or State law.

**§§ 1777.22–1777.30 [Reserved]**

**§ 1777.31 Rates.**

(a) Applicant loans will bear interest at the rate of 5 percent per annum.

(b) Individual loans will bear interest at the rate of:

(1) Five percent per annum; or

(2) The Federal Financing Bank rate for loans of a similar term at the time of Agency loan approval, whichever is less.

**7 CFR Ch. XVII (1–1–05 Edition)**

**§§ 1777.32–1777.40 [Reserved]**

**§ 1777.41 Individual loans and grants.**

(a) The amount of loan and grant funds approved by the Agency will be based on the need shown in the application and an implementation plan submitted by the applicant. The implementation plan will include such things as: purpose, how funds will be used, proposed application process, construction requirements, control and disbursement of funds, etc. The implementation plan will be attached to RUS Bulletin 1777–1.

(b) RUS Bulletin 1777–1 is a Memorandum of Agreement which sets forth the procedures and regulations for making and servicing loans and grants made by applicants to individuals. The State Program Official is authorized to enter into a Memorandum of Agreement with any applicant providing loans and/or grants to individuals. The Memorandum of Agreement can be amended to comply with State law and recommendations by the Office of General Counsel. It may also be amended to eliminate references to loans and/or grants if no loan and/or grant is involved. The State Program Official is responsible for:

(1) Ensuring that all provisions of the Agreement are understood.

(2) Determining that the applicant has the ability to make and service loans and/or grants in the manner outlined in the Agreement.

(c) Agency funds remaining after providing individual loans and/or grants will be returned to the Agency. The funds should be disbursed to individuals within 1 year from the date water and/or waste disposal service is available to the individuals. The State Program Official can make an exception to this 1 year requirement if written justification is provided by the applicant.

**§ 1777.42 Delegation of authority.**

The State Program Official is responsible for the overall implementation of the authorities contained in this part and may redelegate any such authority to appropriate Agency employees.
