

(b) *Reserve.* A percentage of the National Office reserve established in subpart L of part 1940 of this chapter will be used to establish a reserve for designated States that is separate and apart from that of nondesignated States. The percent reserved will be based upon the same criteria used in subpart L of part 1940 of this chapter to allocate program funds.

(c) *Pooling.* (1) On July 15 of each FY, and from time to time thereafter during the FY, as determined appropriate, unobligated funds will be pooled from among the designated States. Pooled funds will be made a part of the reserve established for designated States and will revert to National Office control.

(2) Funds pooled from designated States can be requested by designated States, pursuant to subsection (d) of this section. The designated States' pool; however, will not be available to nondesignated States until September 1 of each year.

(b) *Limitation on amounts transferred.* (1) Amounts transferred within a des-

(c) *National Office concurrence.* The State Director may transfer direct loan funds authorized in this section, after requesting and receiving concurrence from the National Office. If permitted by law, the National Office will concur in requests on a first-come-first-served basis.

(b) *Limitation on amounts transferred.* The amount of guaranteed loan funds transferred from a program under this section shall not exceed the amount left unobligated after obligating the full amount of assistance requested for each project that ranked higher in priority on the panel's list.
