(iv) Modernization, renovation or new construction of a building or facility, including kitchens;

(v) Any costs related to the development of the application and plan of operations before the effective date of CHSP grant award;

(vi) Emergency medical services and ongoing and regular care from doctors and nurses, including but not limited to administering medication, purchase of medical supplies, equipment and medications, overnight nursing services, and other institutional forms of service, care or support;

(vii) Occupational therapy and vocational rehabilitation services; or

(viii) Other items defined as unallowable costs elsewhere in this subpart, in CHSP grant agreement, and OMB Circular A-87 or 122.

(c) *Administrative cost limitation.* Grantees are subject to the limitation in section 802(j)(4).

§ 1944.255 Eligible supportive services.

(a) Supportive services or funding for such services may be provided by state, local, public or private providers and CHSP funds. A CHSP under this section shall provide meal and other qualifying services for program participants (and other residents and non-residents, as described in § 1944.125(a)) that are coordinated on site.

(b) Qualifying supportive services are those listed in section 802(k)(16) and in section 1944.105.

(c) Meal services shall meet the following guidelines:

(1) *Type of service.* At least one meal a day must be served in a group setting for some or all of the participants; if more than one meal a day is provided, a combination of a group setting and carry-out meals may be utilized.

(2) *Hot meals.* At least one meal a day must be hot. A hot meal for the purpose of this program is one in which the principal food item is hot at the time of serving.

(3) *Special menus.* Grantees shall provide special menus as necessary for meeting the dietary needs arising from the health requirements of conditions such as diabetes and hypertension.

7 CFR Ch. XVIII (1-1-05 Edition)

Grantees should attempt to meet the dietary needs of varying religious and ethnic backgrounds.

(4) *Meal service standards.* Grantees shall plan for and provide meals which are wholesome, nutritious, and each of which meets a minimum of one-third of the minimum daily dietary allowances as established by the Food and Nutrition Board of the National Academy of Sciences-National Research Council (or State or local standards, if these standards are higher). Grantees must have an annual certification, prepared and signed by a registered dietitian, which states that each meal provided under CHSP meets the minimum daily dietary allowances.

(5) *Food stamps and agricultural commodities.* In providing meal services grantees must apply for and use food stamps and agricultural commodities as set forth in section 802(d)(2)(A).

(6) *Preference for nutrition providers:* In contracting for or otherwise providing for meal services grantees must follow the requirements of section 802(d)(2)(B). These requirements do not preclude a grantee or owner from directly preparing and providing meals under its own auspices.

§ 1944.256 Eligibility for services.

(a) *Participants, other residents, and nonresidents.* Such individuals are eligible either to participate in CHSP or to receive CHSP services, if they qualify under section 802(e)(1), (4) and (5). Under this paragraph, temporarily disabled persons are also eligible.

(b) *Economic need.* In providing services under CHSP, grantees shall give priority to very low income individuals, and shall consider their service needs in selecting program participants.

§ 1944.257 Service coordinator.

(a) Each grantee must have at least one service coordinator who shall perform the responsibilities listed in section 802(d)(4).

(b) The service coordinator shall comply with the qualifications and standards required by the Secretary concerned. The service coordinator shall be trained in the subject areas set forth in section 802(d)(4), and in any

other areas required by the Secretary concerned.

(c) The service coordinator may be employed directly by the grantee, or employed under a contract with a case management agency on a fee-for-service basis, and may serve less than full-time. The service coordinator or the case management agency providing service coordination shall not provide supportive services under a CHSP grant or have a financial interest in a service provider agency which intends to provide services to the grantee for CHSP.

(d) The service coordinator shall:

(1) Provide general case management and referral services to all potential participants in CHSP. This involves intake screening, upon referral from the grantee of potential program participants, and preliminary assessment of frailty or disability, using a commonly accepted assessment tool. The service coordinator then will refer to the professional assessment committee (PAC) those individuals who appear eligible for CHSP;

(2) Establish professional relationships with all agencies and service providers in the community, and develop a directory of providers for use by program staff and program participants;

(3) Refer proposed participants to service providers in the community, or those of the grantee;

(4) Serve as staff to the PAC;

(5) Complete, for the PAC, all paperwork necessary for the assessment, referral, case monitoring and reassessment processes;

(6) Implement any case plan developed by the PAC and agreed to by the program participant;

(7) Maintain necessary case files on each program participant, containing such information and kept in such form as HUD and RHS shall require;

(8) Provide the necessary case files to PAC members upon request, in connection with PAC duties;

(9) Monitor the ongoing provision of services from community agencies and keep the PAC and the agency providing the supportive service informed of the progress of the participant;

(10) Educate grant recipient's program participants on such issues as benefits application procedures (e.g.

SSI, food stamps, Medicaid), service availability, and program participant options and responsibilities;

(11) Establish volunteer support programs with service organizations in the community;

(12) Assist the grant recipient in building informal support networks with neighbors, friends and family; and

(13) Educate other project management staff on issues related to "aging-in-place" and services coordination, to help them to work with and assist other persons receiving housing assistance through the grantee.

(e) The service coordinator shall tailor each participant's case plan to the individual's particular needs. The service coordinator shall work with community agencies, the grantee and third party service providers to ensure that the services are provided on a regular, ongoing, and satisfactory basis, in accordance with the case plan approved by the PAC and the participant.

(f) Service coordinators shall not serve as members of the PAC.

§ 1944.258 Professional assessment committee.

(a) *General.* (1) A professional assessment committee (PAC), as described in this section, shall recommend services appropriate to the functional abilities and needs of each eligible project resident. The PAC shall be either a voluntary committee appointed by the project management or an agency in the community which provides assessment services and conforms to section 802(e)(3)(A) and (B). PAC members are subject to the conflict of interest provisions in section 1944.175(b).

(2) The PAC shall utilize procedures that ensure that the process of determining eligibility of individuals for congregate services affords individuals fair treatment, due process, and a right of appeal of the determination of eligibility, and shall ensure the confidentiality of personal and medical records.

(3) The dollar value of PAC members' time spent on regular assessments after initial approval of program participants may be counted as match. If a community agency discharges the duties of the PAC, staff time is counted as its imputed value, and if the members are volunteers, their time is
