Subpart F—Analyzing Credit Needs and Graduation of Borrowers

SOURCE: 61 FR 35927, July 9, 1996, unless otherwise noted.

§ 1951.251 Purpose.

This subpart prescribes the policies to be followed when analyzing a direct borrower's needs for continued Agency supervision, further credit, and graduation. All loan accounts will be reviewed for graduation in accordance with this subpart, with the exception of Guaranteed, Watershed, Resource Conservation and Development, Rural Development Loan Funds, and Rural Rental Housing loans made to build or acquire new units pursuant to contracts entered into on or after December 15, 1989, and Intermediary Relending Program loans. The term "Agency" used in this subpart refers to the Farm Service Agency (FSA) including its county and state committees and their personnel), Rural Utilities Service (RUS), Rural Housing Service (RHS), or Rural Business-Cooperative Service (RBS), depending upon the loan program discussed herein. This subpart does not apply to RHS direct single family housing (SFH) customers.

§ 1951.252 Definitions.

Commercial classified. The Agency's highest quality Farm Credit Programs (FCP) accounts. The financial condition of the borrowers is strong enough to enable them to absorb the normal adversities of agricultural production and marketing. There is ample security for all loans, there is sufficient cash flow to meet the expenses of the agricultural enterprise and the financial needs of the family, and to service debts. The account is of such quality that commercial lenders would likely view the loans as a profitable investment.

Farm Credit Programs (FCP) loans. FSA Farm Ownership (FO), Operating (OL), Soil and Water (SW), Recreation (RL), Emergency (EM), Economic Emergency (EE), Economic Opportunity (EO), Special Livestock (SL), Softwood Timber (ST) loans, and Rural Housing loans for farm service buildings (RHF).

Graduation, FCP. The payment in full of all FCP loans or all FCP loans of one type (i.e., all loans made for chattel purposes or all loans made for real estate purposes) by refinancing with other credit sources either with or without an Agency loan guarantee. A loan made for both chattel and real estate purposes, for example an EM loan, will be classified according to how the majority of the loan's funds were expended. Borrowers must continue with their farming operations to be considered as graduated.

Graduation, other programs. The payment in full of any direct loan for Community and Business Programs, and all direct loans for housing programs, before maturity by refinancing with other credit sources. Graduated housing borrowers must continue to hold title to the property. Graduation, for other than FCP, does not include credit which is guaranteed by the United States.

Prospectus, FCP. Consists of a transmittal letter with a current balance sheet and projected year's budget attached. The applicant's or borrower's name and address need not be withheld from the lender. The prospectus is used to determine lender interest in financing or refinancing specific Agency direct loan applicants and borrowers.

The prospectus will provide information regarding the availability of an Agency loan guarantee and interest assistance.

Reasonable rates and terms. Those commercial rates and terms which borrowers are expected to meet when borrowing for similar purposes and similar periods of time. The "similar periods of time" of available commercial loans will be measured against, but need not be the same as, the remaining or original term of the loan. In the case of Multi-Family Housing (MFH) loans, "reasonable rates and terms" would be considered to mean financing that would allow the units to be offered to eligible tenants at rates consistent with other multi-family housing.

Servicing official. The district or county office official responsible for the immediate servicing functions of the borrower.

Standard classified. These loan accounts are fully acceptable by Agency standards. Loan risk and potential loan servicing costs are higher than would be acceptable to other lenders, but all loans are adequately secured. Repayment ability is adequate, and there is a high probability that all loans will be repaid as scheduled and in full.

§ 1951.253 Objectives.

(a) [Reserved]

(b) Borrowers must graduate to other credit at reasonable rates and terms when they are able to do so.

(c) If a borrower refuses to graduate, the account will be liquidated under the following conditions:

(1) The borrower has the legal capacity and financial ability to obtain other credit.

(2) Other credit is available from a commercial lender at reasonable rates and terms. In the case of Labor Housing (LH), Rural Rental Housing (RRH), and Rural Cooperative Housing (RCH) Programs, reasonable rates and terms must also permit the borrowers to continue providing housing for low and moderate income persons at rental rates tenants can afford considering the loss of any subsidy which will be canceled when the loan is paid in full.

(d) The Agency will enforce borrower graduation.

§ 1951.254 [Reserved]

§ 1951.255 Nondiscrimination.

All loan servicing actions described in this subpart will be conducted without regard to race, color, religion, sex, familial status, national origin, age, or physical or mental handicap.

§§ 1951.256–1951.261 [Reserved]

§ 1951.262 Farm Credit Programs—graduation of borrowers.

(a)–(d) [Reserved]

(e) *Graduation candidates.* Borrowers who are classified "commercial" or "standard" are graduation candidates. At least every 2 years, all borrowers who have a current classification of commercial or standard must submit a year-end balance sheet, actual financial performance information for the most recent year, and a projected budget for the current year to enable the Agency to reclassify their status and determine their ability to graduate.

(f) *Sending prospectus information to lenders.* (1) The Agency will distribute a borrower's prospectus to local lenders for possible refinancing. The borrower's permission is not required, however, the borrower must be notified of this action.

(2) The borrower is responsible for any application fees. The borrower has 30 days from the date the borrower is notified of lender interest in refinancing to make application, if required by the lender, and refinance the FLP loan. For good cause, the borrower may be granted a reasonable amount of additional time by the Agency.

§ 1951.263 Graduation of non-Farm Credit programs borrowers.

(a)–(b) [Reserved]

(c) *The thorough review.* Borrowers are required to supply such financial information as the Agency deems necessary to determine whether they are able to graduate to other credit. At a minimum, the financial statements requested from the borrower must include a balance sheet and a statement of income and expenses. Ordinarily, the
