U.S. DEPT. OF AGRICULTURE
IN ACCORDANCE WITH
FNS REQUIREMENTS**

(d) Yields for determining the product's contribution toward meal pattern requirements must be calculated using the *Food Buying Guide for Child Nutrition Programs* (Program Aid Number 1331).

5. In the event a company uses the CN logo and CN label statement inappropriately, the company will be directed to discontinue the use of the logo and statement and the matter will be referred to the appropriate agency for action to be taken against the company.

6. Products that bear a CN label statement as set forth in paragraph 3(c) carry a warranty. This means that if a food service authority participating in the child nutrition programs purchases a CN labeled product and uses it in accordance with the manufacturer's directions, the school or institution will not have an audit claim filed against it for the CN labeled product for noncompliance with the meal pattern requirements of 7 CFR 210.10 or 210.10a, whichever is applicable, 220.8, 225.21, and 226.20. If a State or Federal auditor finds that a product that is CN labeled does not actually meet the meal pattern requirements claimed on the label, the auditor will report this finding to FNS. FNS will prepare a report of the findings and send it to the appropriate divisions of FSIS and AMS of the USDA, National Marine Fisheries Services of the USDC, Food and Drug Administration, or the Department of Justice for action against the company.

Any or all of the following courses of action may be taken:

(a) The company's CN label may be revoked for a specific period of time;

(b) The appropriate agency may pursue a misbranding or mislabeling action against the company producing the product;

(c) The company's name will be circulated to regional FNS offices;

(d) FNS will require the food service program involved to notify the State agency of the labeling violation.

7. FNS is authorized to issue operational policies, procedures, and instructions for the CN Labeling Program.

Subpart A—General

§ 225.1 General purpose and scope.

This part establishes the regulations under which the Secretary will administer a Summer Food Service Program. Section 13 of the Act authorizes the Secretary to assist States through grants-in-aid to conduct nonprofit food service programs for children during the summer months and at other approved times. The primary purpose of the Program is to provide food service to children from needy areas during periods when area schools are closed for vacation.

§ 225.2 Definitions.

Act means the National School Lunch Act, as amended.

Administrative costs means costs incurred by a sponsor related to planning, organizing, and managing a food service under the Program, and excluding interest costs and operating costs.

Advance payments means financial assistance made available to a sponsor for its operating costs and/or administrative costs prior to the end of the month in which such costs will be incurred.

Areas in which poor economic conditions exist means:

(a) The local areas from which an open site and restricted open site draw their attendance in which at least 50 percent of the children are eligible for free or reduced-price school meals under the National School Lunch Program and the School Breakfast Program, as determined:

(1) By information provided from departments of welfare and education, zoning commissions, census tracts, and organizations determined by the State agency to be migrant organizations;

(2) By the number of free and reduced-price lunches or breakfasts served to children attending public and nonprofit private schools located in the areas of Program sites; or

(3) From other appropriate sources; or

(b) A closed enrolled site.

Camps means residential summer camps and nonresidential day camps which offer a regularly scheduled food service as part of an organized program for enrolled children. Nonresidential camp sites shall offer a continuous schedule of organized cultural or recreational programs for enrolled children between meal services.

Children means (a) persons 18 years of age and under, and (b) persons over 18 years of age who are determined by a State educational agency or a local public educational agency of a State to be mentally or physically handicapped and who participate in a public or nonprofit private school program established for the mentally or physically handicapped.

Closed enrolled site means a site which is open only to enrolled children, as opposed to the community at large, and in which at least 50 percent of the enrolled children at the site are eligible for free or reduced price school meals under the National School Lunch Program and the School Breakfast Program, as determined by approval of applications in accordance with § 225.15(f).

Continuous school calendar means a situation in which all or part of the student body of a school is (a) on a vacation for periods of 15 continuous school days or more during the period October through April and (b) in attendance at regularly scheduled classes during most of the period May through September.

Costs of obtaining food means costs related to obtaining food for consumption by children. Such costs may include, in addition to the purchase price of agricultural commodities and other food, the cost of processing, distributing, transporting, storing, or handling any food purchased for, or donated to, the Program.

Current income means income, as defined in § 225.15(f)(4)(vi), received during the month prior to application for free meals.
