Failure to notify FNS shall result in claim action.

(b) *Recipient agency records.* Each recipient agency shall maintain accurate and complete records with respect to the receipt, disposal, and inventory of donated food, including products processed from donated food, and with respect to any funds which arise from the operation of the distribution program.

(c) *Refunds.* A recipient agency purchasing end products under the NCP

Program from a processor utilizing a refund system shall submit a refund application supplied by the processor to the processor within 30 days of receipt of the end products, except that recipient agencies may submit refund applications to a single processor on a Federal fiscal quarterly basis if the total anticipated refund due for all purchases of end product from that processor during the quarter is 25 dollars or less. The recipient agency may be requested to verify actual purchases of end products as substantiated by the recipient agency's invoices and may also be requested to verify that the invoice correctly identifies the discount included or refund due for the value of the donated ingredient contained in the end product.
