

(iii) The regulated fruit is free of leaves, twigs, and other plant parts, except for stems that are less than one inch long and attached to the regulated fruit.

(iv) The regulated fruit is accompanied by a limited permit issued in accordance with §301.75-12 of this subpart.

(2) Conditions for subsequent movement into any area of the United States including commercial citrus-producing areas. (i) The regulated fruit is accompanied by a bill of lading that states the location of the grove where the fruit was produced, the variety and quantity of fruit, the address to which the fruit will be delivered for packing, and the date the movement of the fruit began.

(ii) The regulated fruit is moved through the quarantined area without being unloaded and no regulated article is added to the shipment in the quarantined area.

(iii) The regulated fruit is completely covered, or enclosed in containers or in a compartment of a vehicle, both during its movement to a packing plant in a quarantined area and during its movement from a packing plant in a quarantined area to destinations outside that quarantined area.

(iv) At the packing plant, regulated fruit produced outside the quarantined areas is stored separately from and has had no contact with regulated fruit produced in a quarantined area. Any equipment at the packing plant that comes in contact with regulated fruit produced in a quarantined area is treated in accordance with §310.75-11(d) of this subpart before being used to handle any regulated fruit not produced in a quarantined area.

(v) The regulated fruit is treated at the packing plant in accordance with §301.75-11(a) of this subpart.

(vi) Due to the likelihood that they will be commingled with similar regulated articles collected from regulated fruit produced in a quarantined area, all leaves, litter, and culls collected from the shipment of regulated fruit at the packing plant are handled as prescribed in §301.75-4(d)(2)(i)(E) of this subpart.

(vii) The regulated fruit is accompanied by a certificate issued in ac-

cordance with §301.75-12 of this subpart.

**§ 301.75-9 Interstate movement of regulated articles from a quarantined area for experimental or scientific purposes.**

A regulated article may be moved interstate from a quarantined area if:

(a) Moved by the United States Department of Agriculture for experimental or scientific purposes;

(b) Moved pursuant to a Departmental permit issued for such article by the Administrator;

(c) Moved in accordance with conditions specified on the Departmental permit and determined by the Administrator to be adequate to prevent the spread of citrus canker, i.e., conditions of treatment, processing, growing, shipment, disposal; and

(d) Moved with a Departmental tag or label securely attached to the outside of the container containing the article or securely attached to the article itself if not in a container, with such tag or label bearing a Departmental permit number corresponding to the number of the Departmental permit issued for such article.
