vegetables, or other articles regulated under this subpart that are destined for movement from Hawaii to the continental United States, Puerto Rico, or the Virgin Islands of the United States, unless the cargo has been offered for inspection, passed by an inspector, and bears a USDA stamp or USDA inspection sticker, or unless a certificate or limited permit is attached to the cargo as specified in §318.13-3(e).

(2) Cargo designated in paragraph (f)(1) of this section may be loaded without a USDA stamp or USDA inspection sticker, and without a certificate attached to the cargo or a limited permit attached to the cargo if the cargo is moved:

(i) As containerized cargo on ships or other ocean-going craft or as air cargo;

(ii) The carrier has on file documentary evidence that a valid certificate or limited permit was issued for the movement; and

(iii) A notation of the existence of these documents is made by the carrier on the waybill, manifest, or bill of lading that accompanies the shipment.

(3) Cargo moved in accordance with §318.13-17 of this subpart that does not have a limited permit attached to the cargo must have a limited permit attached to the waybill, manifest, or bill of lading accompanying the shipment.

(g) *Removal of certain cargoes in Guam.* No person shall remove or attempt to remove from a designated inspection area as provided in §318.13-10(h), on or off the means of conveyance, any cargo moved from Hawaii to Guam containing fruits, vegetables, or other articles regulated under this subpart, unless the cargo has been inspected and passed by an inspector in Guam.

(h) *Space and facilities for baggage inspection.* Baggage inspection will not be performed until the person in charge or possession of the ship, other ocean-going craft, or aircraft provides space and facilities on the means of conveyance, pier, or airport that are adequate, in the inspector's judgment, for the performance of inspection.
