is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) *Possessory rights.* Acceptable forms of ownership include possessory rights on an American Indian reservation or State-owned land and the interest of an American Indian in land held in severalty under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

### § 3550.59 Security requirements.

Before approving any loan, RHS will impose requirements to secure its interests.

(a) *Adequate security.* A loan will be considered adequately secured only when all of the following requirements are met:

(1) RHS obtains at closing a mortgage on all ownership interests in the security property or the requirements of § 3550.58 are satisfied.

(2) No liens prior to the RHS mortgage exist at the time of closing and no junior liens are likely to be taken immediately subsequent to or at the time of closing, unless the other liens are taken as part of a leveraging strategy or the RHS loan is essential for repairs and the senior lien secures an affordable non-RHS loan. Liens junior to the RHS lien may be allowed at loan closing if the junior lien will not interfere with the purpose or repayment of the RHS loan. When the junior lien involves a grant or a forgivable affordable housing product, the total debt may exceed the market value by the amount of the forgivable loan or grant up to 5 percent.

(3) The provisions of 7 CFR part 1927, subpart B regarding title clearance and the use of legal services have been followed.

(4) Existing and proposed property improvements are totally on the site and do not encroach on adjoining property.

(b) *Guaranteed payment.* Mortgage insurance guaranteeing payment from a

Government agency or Indian tribe is adequate security.

### § 3550.60 Escrow account.

RHS may require that customers deposit into an escrow account amounts necessary to ensure that the account will contain sufficient funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs when they are due in accordance with the Real Estate Settlement and Procedures Act of 1974 (RESPA) (12 U.S.C. 2601, *et seq.*) and section 501(e) of the Housing Act of 1949, as amended.

### § 3550.61 Insurance.

(a) *Customer responsibility.* Until the loan is paid in full the customer must furnish and continually maintain hazard and flood insurance on property securing RHS loans, with companies, in amounts, and on terms and conditions acceptable to RHS. Customers who are required to have insurance may be required to escrow funds to ensure payment. All policies must have a "loss payable clause" payable to RHS to protect the Government's interest.

(b) *Amount.* Essential buildings must be insured in an amount at least equal to the balance of the secured debts.

(c) *Flood insurance.* Flood insurance must be obtained and maintained for the life of the loan for all property located in a Special Flood Hazard Area (SFHA) as determined by the Federal Emergency Management Agency (FEMA). RHS actions will be consistent with 7 CFR part 1806, subpart B which addressed flood insurance requirements. If flood insurance through FEMA's National Flood Insurance Program is not available in an SFHA, the property is not eligible for federal financial assistance.

(d) *Losses.* (1) Loss deductible clauses may not exceed \$250 or 1 percent of the insurance coverage, whichever is greater. The deductible for any 1 building may not exceed \$750.

(2) Customers must immediately notify RHS of any loss or damage to insured property and collect the amount of the loss from the insurance company.

**§ 3550.62**

(3) Depending on the amount of the loss, RHS may require that loss payments be supervised. All repairs and replacements done by or under the direction of the borrower, or by contract, will be planned, performed, inspected, and paid for in accordance with 7 CFR part 1924, subpart A.

(4) When insurance funds remain after all repairs, replacements, and other authorized disbursements have been made, the funds will be applied in the following order:

(i) Prior liens, including delinquent property taxes.

(ii) Past-due amounts.

(iii) Protective advances due.

(iv) Released to the customer if the RHS debt is adequately secured.

(5) If a loss occurs when insurance is not in force, the borrower is responsible for making the needed repairs or replacements and ensuring that the insurance is reinstated on the property.

(6) If the borrower is not financially able to make the repairs, RHS may take one of the following actions:

(i) Make a subsequent loan for repairs.

(ii) Subordinate the RHS lien to permit the borrower to obtain funds for needed repairs from another source.

(iii) Permit the borrower to obtain funds secured by a junior lien from another source.

(iv) Make a protective advance to protect the Government's interest.

(v) Accelerate the account.

**§ 3550.62 Appraisals.**

(a) *Requirement.* An appraisal is required when the debt to be secured exceeds \$15,000 or whenever RHS determines that it is necessary to establish the adequacy of the security. Appraisals must be made in accordance with the Uniform Standards of Professional Appraisal Practices. When other real estate is taken as additional security, it will be appraised if it represents a substantial portion of the security for the loan.

(b) *Fees.* RHS will charge a fee for each loan application that requires an appraisal, except the appraisal fee is not required on appraisals done for subsequent loans needed to make minimal, essential repairs or in cases where another party provides an appraisal

**§ 3550.63 Maximum loan amount.**

Total secured indebtedness must not exceed the area loan limit or market value limitations specified in paragraphs (a) or (b) of this section, whichever is lower. Any loan amount for the RHS appraisal, tax monitoring fee, and the charge to establish an escrow account for taxes and insurance will not be subject to the limitations specified below. This section does not apply to loans on NP terms.

*(a) Area loan limit.*

(1) The area loan limit is the maximum value of the property RHS will finance in a given locality. Subject to the following, this limit is based on cost data plus the market value of an improved lot, or the State Housing Authority limits, whichever the State Director determines most appropriately reflects the value of modest housing for the area:

(i) The cost of the structure is based upon the cost to construct a modest home and is obtained by RHS from a nationally recognized residential cost provider.

(ii) The market value of an improved site (without the dwelling) is based upon current sales data for typical housing sites and reasonable and typical costs of site improvements.

(iii) The applicable State Housing Authority limit will only be considered if it is within 10 percent of the cost data plus the market value of an improved lot.

(iv) The area loan limit may not exceed the applicable local HUD section 203(b) limit.

(v) All area loan limit data will be updated at least annually and is available in any Rural Development office.
