

(c) *How to compute your Capital Impairment Percentage.* (1) If you have an Unrealized Gain on Securities Held, compute your Adjusted Unrealized Gain using paragraph (d) of this section. If you have an Unrealized Loss on Securities Held, continue with paragraph (c)(2) of this section.

(2) Add together your Undistributed Net Realized Earnings, your Includible Non-cash Gains, and either your Unrealized Loss on Securities Held or your Adjusted Unrealized Gain.

(3) If the sum in paragraph (c)(2) of this section is zero or greater, your Capital Impairment Percentage is zero.

(4) If the sum in paragraph (c)(2) of this section is less than zero, drop the negative sign, divide by your Regulatory Capital (excluding Treasury Stock), and multiply by 100. The result is your Capital Impairment Percentage.

(d) *How to compute your Adjusted Unrealized Gain.*

(1) Subtract Unrealized Depreciation from Unrealized Appreciation. This is your "Net Appreciation".

(2) Determine your Unrealized Appreciation on Publicly Traded and Marketable securities. This is your "Class I Appreciation".

(3) Determine your Unrealized Appreciation on securities that are not Publicly Traded and Marketable and meet the following criteria, which must be substantiated to the Secretary's satisfaction (this is your "Class 2 Appreciation"):

(i) The Portfolio Concern that issued the security received a significant subsequent equity financing by an investor whose objectives were not primarily strategic and at a price that conclusively supports the Unrealized Appreciation;

(ii) Such financing represents a substantial investment in the form of an arm's-length transaction by a sophisticated new investor in the issuer's securities; and

(iii) Such financing occurred within 24 months of the date of the Capital Impairment computation, or the Portfolio Concern's pre-tax cash flow from operations for its most recent fiscal year was at least 10 percent of its average contributed capital for such fiscal year.

(4) Perform the appropriate computation from the table in 13 CFR 107.1840(d)(4).

(5) Reduce the gain computed in paragraph (d)(4) of this section by your estimate of related future income tax expense. Subject to any adjustment required by paragraph (d)(6) of this section, the result is your Adjusted Unrealized Gain for use in paragraph (c)(2) of this section.

(6) If any securities that are the source of either Class 1 or Class 2 Appreciation are pledged or encumbered in any way, you must reduce the Adjusted Unrealized Gain computed in paragraph (d)(5) of this section by the amount of the related borrowing or other obligation, up to the amount of the Unrealized Appreciation on the securities.

Subpart L—Ending Operations as a RBIC

§ 4290.1900 Termination of participation as a RBIC.

You may not terminate your participation as a RBIC without the Secretary's prior written approval. Your request for approval must be accompanied by an offer of immediate repayment of all of your outstanding Leverage (including any prepayment penalties thereon), or by a plan satisfactory to the Secretary for the orderly liquidation of the RBIC.

Subpart M—Miscellaneous

§ 4290.1910 Non-waiver of rights or terms of Leverage security.

The Secretary's failure to exercise or delay in exercising any right or remedy under the Act or the regulations in this part does not constitute a waiver of such right or remedy. The Secretary's failure to require you to perform any term or provision of your Leverage does not affect the Secretary's right to enforce such term or provision. Similarly, the Secretary's waiver of, or failure to enforce, any term or provision of your Leverage or of any event or condition set forth in § 4290.1810 does not constitute a waiver of any succeeding breach of such term or provision or condition.
