

combination inspection and Class X weighing certificate may be issued when both services are performed in a reasonably continuous operation at the same location by the same agency or field office. An official certificate shall not be issued unless the information as required by § 800.46 has been submitted, or official personnel determine that sufficient information has been made available so as to perform the requested service. A record that sufficient information was made available must be included in the record of the official service.

OFFICIAL REINSPECTION SERVICES AND
REVIEW OF WEIGHING SERVICES

§ 800.125 Who may request reinspection services or review of weighing services.

(a) *General.* Any interested person may request a reinspection or review of weighing service, except as provided for in § 800.86(c)(5). Only one reinspection service or review of weighing service may be performed on any original service. When more than one interested person requests a reinspection or review of weighing service, the first person to file is the applicant of record.

(b) *Kind and scope of request.* A reinspection or review of weighing service is limited to the kind and scope of the original service. If the request specifies a different kind or scope, the request shall be dismissed but may be resubmitted as a request for original services: Provided, however, that an applicant for service may request a reinspection of a specific factor(s), official grade and factors, or official criteria. In addition, reinspections for grade may include a review of any pertinent factor(s), as deemed necessary by official personnel. Official criteria are considered separately from official grade or official factors when determining the kind and scope. When requested, a reinspection for official grade or official factors and official criteria may be handled separately even though both sets of results are reported on the same certificate. Moreover, a reinspection or review of weighing may be requested

on either the inspection or Class X weighing results when both results are reported on a combination inspection and Class X weight certificate.

§ 800.126 How to request reinspection or review of weighing services.

(a) *General.* Requests shall be made with the agency or field office that performed the original service. All requests shall include the information specified in § 800.46. Verbal requests shall be confirmed in writing when requested by official personnel. Copies of request forms may be obtained from the agency or field office. If at the time the request is filed the documentation required by § 800.46 is not available, official personnel may, at their discretion, withhold services pending the receipt of the required documentation. A reinspection certificate or the results of a review of weighing service shall not be issued unless (1) the documentation requested under § 800.46 has been submitted or (2) official personnel determine sufficient information has been made available so as to perform the requested service. A record that sufficient information was made available shall be included in the record of the official service.

(b) *Request requirements.* Requests will be considered filed on the date they are received by official personnel. A record shall be maintained for all requests.

(1) *Reinspection services.* Requests shall be received (i) before the grain has left the specified service point where the grain was located when the original inspection was performed; (ii) no later than the close of business on the second business day following the date of the original inspection; and (iii) before the identity of the grain has been lost. If a representative file sample, as prescribed in § 800.82, is available, official personnel may waive the requirements pursuant to this subparagraph. The requirements of paragraph (b)(1)(i) of this section may be waived only upon written consent of the applicant and all interested persons. The requirements of paragraph (b)(1)(ii) and
