

Agricultural Marketing Service, USDA

§ 929.46

(b) The Secretary shall fix the rate of assessment to be paid by each handler during a fiscal period in an amount designated to secure funds sufficient to cover the expenses which may be incurred during such period and to accumulate and maintain a reserve fund equal to approximately one fiscal period's expenses. At any time during or after the fiscal period, the Secretary may increase the assessment rate in order to secure funds sufficient to cover any later finding by the Secretary relative to the expenses which may be incurred. Such increase shall be applied to all cranberries acquired during the applicable fiscal period. In order to provide funds for the administration of the provisions of this part during the first part of a fiscal year, before sufficient operating income is available from assessments, the committee may accept the payment of assessments in advance and may also borrow money for such purposes.

(c) If a handler does not pay such assessment within the period of time prescribed by the committee, the assessment may be increased by either a late payment charge, or an interest charge, or both, at rates prescribed by the committee, with the approval of the Secretary.

§ 929.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, the committee, with the approval of the Secretary, may carryover such excess into subsequent fiscal periods as a reserve: *Provided*, That funds already in the reserve do not exceed approximately one fiscal period's expenses. Such reserve funds may be used (1) to cover any expenses authorized by this part and (2) to cover necessary expenses of liquidation in the event of termination of this part. If any such excess is not retained in a reserve, it shall be refunded proportionately to the handlers from whom the excess was collected. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate; *Provided*, That to the extent practical, such funds

shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the committee and its members to account for all receipts and disbursements.
