

Agricultural Marketing Service, USDA

§ 930.22

(5) Allocation of the seats in each district shall be as follows but subject to the provisions of paragraphs (d), (e) and (f) of this section:

District type	Grower members	or	Handler members
Up to and including 10 million pounds	1		1
More than 10 and up to 40 million pounds	1		1
More than 40 and up to 80 million pounds	1		2
More than 80 million pounds	2		2

(c) Upon the adoption of this part, the production area shall be divided into the following described subdivisions for purposes of this section:

District 1—Northern Michigan: that portion of the State of Michigan which is north of a line drawn along the northern boundary of Mason County and extended east to Lake Huron.

District 2—Central Michigan: that portion of the State of Michigan which is south of District 1 and north of a line drawn along the northern boundary of Allegan County and extended east to Lake St. Clair.

District 3—Southern Michigan: That portion of the State of Michigan not included in Districts 1 and 2.

District 4—The State of New York.

District 5—The State of Oregon.

District 6—The State of Pennsylvania.

District 7—The State of Utah.

District 8—The State of Washington.

District 9—The State of Wisconsin.

(d) The ratio of grower to handler representation in districts with three members shall alternate each time the term of a Board member from the representative group having two seats expires. During the initial period of the order, the ratio shall be as designated in paragraph (b) of this section.

(e) Board members from districts with one seat may be either grower or handler members and will be nominated and elected as outlined in §930.23.

(f) If the 3-year average production of a district changes so that a different number of seats should be allocated to the district, then the Board will be re-established by the Secretary, and such seats will be filled according to the applicable provisions of this part. Each district's 3-year average production shall be recalculated annually as soon as possible after each season's final production figures are known.

(g) In order to achieve a fair and balanced representation on the Board, and to prevent any one sales constituency from gaining control of the Board, not more than one board member may be from, or affiliated with, a single sales constituency in those districts having more than one seat on the Board. There is, however, no prohibition on the number of Board members from differing districts that may be elected from a single sales constituency which may have operations in more than one district. However, as provided in §930.23, a handler or grower may only nominate Board members and vote in one district.

(h) Subject to the approval of the Secretary, the Board shall at its first meeting and annually thereafter elect from among any of its members a chairperson and a vice-chairperson and may elect other appropriate officers.

(i) The Board, with the approval of the Secretary, may establish rules and regulation's necessary and incidental to the administration of this section.

§ 930.21 Reestablishment.

Districts, subdivisions of districts, and the distribution of representation among growers and handlers within a respective district or subdivision thereof, or among the subdivision of districts, may be reestablished by the Secretary, subject to the provisions of §930.23, based upon recommendations by the Board. In recommending any such changes, the Board shall consider:

- (a) the relative importance of producing areas;
- (b) relative production;
- (c) the geographic locations of producing areas as they would affect the efficiency of administration of this part;
- (d) shifts in cherry production within the districts and the production area;
- (e) changes in the proportion and role of growers and handlers within the districts; and (f) other relevant factors.

§ 930.22 Term of office.

The term of office of each member and alternate member of the Board shall be for three fiscal years: Provided that, of the nine initial members and
