§ 932.155

verified, prior to transfer, by certification issued to the transferring handler by the appropriate inspection service (Federal or Federal-State Inspection Service or the Processed Products Branch, USDA).

[31 FR 12636, Sept. 27, 1966, as amended at 36 FR 24795, Dec. 23, 1971; 49 FR 34440, Aug. 31, 1984; 49 FR 44448, Nov. 7, 1984]

§ 932.155 Special purpose shipments.

(a) The disposition of packaged olives covered by § 932.152(d) which are not reprocessed, and new packaged olive products covered under paragraph (b) of this section which have not been disposed of by the end of the test market period, shall be handled in conformity with the applicable provisions of this paragraph.

(1) Under the supervision of the Inspection Service, such packaged olives may be disposed of for use in the production of olive oil or dumped.

(2) Such packaged olives may be disposed of to a charitable organization for use by such organization, provided the following conditions are met:

(i) Any handler who wishes to so dispose of olives shall first file a written application with, and obtain written approval thereof, from the committee. Each such application shall contain at least:

(A) The name and address of the handler and the charitable organization;

(B) The physical location of the charitable organization's facilities;

(C) The quantity, in cases, the variety, size, can size, and can code of the packaged olives; and

(D) A certification from the charitable organization that such olives will be used by the organization and will not be sold.

(ii) Prior to approval, the committee shall perform such verification of the accuracy of the information on the application as it deems necessary. The committee may deny any application if it finds that the required information is incomplete or incorrect, or has reason to believe that the intended receiver is not a charitable organization, or that the handler or the organization has disposed of packaged olives contrary to a previously approved application. The committee shall notify the applicant and the organization in writ-

ing of its approval, or denial, of the application. Any such approval shall continue in effect so long as the packaged olives covered thereby are disposed of consistent with this section. The committee shall notify the handler and the organization of each such termination of approval. The handler shall furnish the committee, upon demand, such evidence of disposition of the packaged olives covered by an approved application as may be satisfactory to the committee.

(b) In accordance with the provisions of § 932.55(b), packaged olives to be used in marketing development projects may be handled without regard to § 932.149 provided the following conditions are met. Such olives must be identified to the satisfaction of the Inspection Service and kept separate from other packaged olives. The handler shall submit to the committee for its approval "COC Form 155" at least 10 working days prior to the shipment of such packaged olives to test markets, and report progress or changes to the committee, as requested. The applicant handler shall provide the following information on COC Form 155:

(1) The quantity of olives to be utilized (limited to not more than five percent of the handler's crop year acquisitions);

(2) Specific market outlet;

(3) Flavorings or other ingredients added to the olives;

(4) Style of olives used;

(5) Type of olives used, either black or green ripe;

(6) Container sizes;

(7) Varieties used, whether Ascolano, Barouni, Manzanillo, Mission, Sevillano, etc.;

(8) Sizes of olives utilized;

(9) Approximate dates when the new product will be packaged;

(10) Name and address of requesting handler;

(11) Place of inspection;

(12) Certification that all assessment and reporting requirements in effect under the marketing order will be met prior to shipment;

(13) Certification that all such fruit will be kept separate from other packaged olives and will be so identified by control cards or other means acceptable to the Inspection Service;

§ 932.159

7 CFR Ch. IX (1-1-05 Edition)

(14) Purpose and nature of the request, whether for test marketing, evaluation, market research, etc.; and

(15) An estimate of the amount of time required to complete the test. The committee shall promptly approve or deny the application, and may add limitations to any such approval. Upon approval, the applicant handler shall notify the Inspection Service. Packaged olives so identified and remaining unused at the end of the approved test-market period shall be disposed of according to paragraph (a) of this section.

(c) In accordance with the provisions of §932.55(b), any handler may use processed olives in the production of packaged olives for repackaging, and ship packaged olives for repackaging, if the packaged olives meet the minimum quality requirements, except for the requirement that the packaged olives possess a reasonably good flavor: *Provided*, That the failure to possess a reasonably good flavor is due only to excessive sodium chloride.

[33 FR 15632, Oct. 23, 1968, as amended at 39 FR 38221, Oct. 30, 1974; 62 FR 1244, Jan. 9, 1997; 65 FR 4575, Jan. 31, 2000]

§ 932.159 Reallocation of handler membership.

Pursuant to §932.25, handler representation on the Committee is reallocated to provide that the two handlers who handled the largest and second largest total volume of olives during the crop year in which nominations are made and in the preceding crop year shall each be represented by four members and four alternate members.

[65 FR 62994, Oct. 20, 2000]

§ 932.161 Reports.

(a) *Reports of olives received.* Each handler shall submit to the committee, on a form provided by the committee, for each week (Sunday through Saturday, or such other 7-day period for which the handler has submitted a request and received approval from the committee) and not later than the fourth day after the close of such week, a report showing by size designation and culls the respective quantities of each variety of olives received. In addition

thereto, he shall also report the seasonal totals to date of the report.

(b) *Sales reports.* (1) Each handler shall submit to the committee, on COC Form 21 as provided by the committee, for each month and not later than the 15th day following the end of that month, a report showing the handler's total sales of packaged olives to commercial outlets in the United States, to governmental agencies, and to foreign countries. Such sales shall be reported in the following categories:

(i) Whole and whole pitted styles of canned ripe olives in consumer size containers;

(ii) Whole and whole pitted styles of canned ripe olives in institutional size containers;

(iii) Chopped style of canned ripe olives in all types of containers; and

(iv) Halved, segmented (wedged), and sliced styles of canned ripe olives in all types of containers.

The quantity in each category shall be reported in terms of the equivalent number of cases of 24 No. 300 (300x407) size cans.

(2) Each handler shall submit to the committee, on a form provided by the committee, for each month and not more than 15 days after the end of such month, a report showing the total quantity of packaged olives of the ripe and green ripe types sold during the month. Such reports shall include the following information, as applicable:

(i) With respect to the whole, pitted, and broken pitted styles of packaged olives of the ripe or green ripe type, each style shall be reported separately on COC Form 29a in terms of the quantity of each size of olives as designated on the form. Such quantity, or quantities, shall be reported in terms of the total amount packaged in each of the container sizes listed on said form except that the committee may require such reporting in terms of the equivalent number of cases of 24 No. 300 (300x407) size cans. Each handler shall report separately the total monthly sales of packaged olives of the green ripe type.

(ii) Limited use styles of packaged olives of the ripe or green ripe type shall be reported in terms of the quantity of each style packaged in each of the container sizes listed on COC Form
