quantity by grade, size, quality and variety of the potatoes to be shipped; the mode of transportation; the consignee; the destination; the purpose for which the potatoes are to be used; a certification to the United States Department of Agriculture and to the committee as to the truthfulness of the information shown thereon; and any other appropriate information or documents deemed necessary by the committee for the purposes stated in § 948.120.

(b) [Reserved]

§ 948.123 Approval.

The committee or its duly authorized agents shall give prompt consideration to each application for a Certificate of Privilege. Approval of an application based upon a determination as to whether the information contained therein and other information available to the committee supports approval, shall be evidenced by the issuance of a Certificate of Privilege to the applicant. Each certificate shall cover a specified period, and specified qualities and quantities of potatoes to be sold or transported to the designated consignee for the purposes declared.

§ 948.124 Reports.

Each handler of potatoes shipping under Certificates of Privilege shall supply the committee with reports as requested by the committee or its duly authorized agents showing the name and address of the shipper; the car or truck identification; the loading point; destination; consignee; the inspection certificate number when inspection is required; and any other information deemed necessary by the committee.

§ 948.125 Disqualification.

The committee from time to time may conduct surveys of handling of potatoes for special purposes requiring Certificates of Privilege to determine whether handlers are complying with the requirements and regulations applicable to such certificates. Whenever the committee finds that a handler or consignee is failing to comply with requirements and regulations applicable to handling of potatoes in special outlets, and requiring such certificates, a

Certificate or Certificates of Privilege issued such handler may be rescinded and further certificates denied. Such disqualification shall apply to, and not exceed, a reasonable period of time as determined by the committee but in no event shall it extend beyond the end of the succeeding fiscal period. Any handler who has a certificate rescinded or denied may appeal to the committee in writing for reconsideration of his disqualification.

§ 948.126 General cull regulation.

(a) No handler shall handle potatoes grown in the State of Colorado which do not meet the requirements of U.S. No. 2 or better grade, or are less than 1½ inches in diameter.

(b) This General Cull Regulation shall remain in effect until suspended or modified pursuant to § 948.20(a)(2).

(c) The term U.S. No. 2 grade has the same meaning as when used in the U.S. Standards for Potatoes (§§ 51.1540 to 51.1556 of this title), or amendments thereto or modifications thereof.

(d) Applicability to imports: Pursuant to section 608e-1 of the act and § 980.1 *Import Regulations; Irish potatoes* (part 980 of this chapter), in the absence of more restrictive regulations in effect for potatoes grown in Areas Nos. 2 and 3 in Colorado, this cull regulation shall be used in a basis for import regulations for the red skinned, round type and for other round type potatoes, during the periods specified and as designated in said § 980.1 of this chapter.

EXEMPTIONS

SOURCE: Sections 948.130 through 948.132 appear at 26 FR 10793, Nov. 18, 1961, unless otherwise noted. Redesignated at 26 FR 12751, Dec. 30, 1961.

§ 948.130 Application for exemption certificates.

Any producer applying for exemption from any grade and size regulation issued under § 948.22 shall make application to the respective area committee for the area in which the applicant's potatoes were grown or are stored, on forms to be furnished by the area committee. The application shall include:

Agricultural Marketing Service, USDA

§ 948.140

(a) The name and address of the applicant;

(b) The location, or locations, of the potatoes with respect to which exemption is requested;

(c) The total estimated quantity of potatoes (excluding culls) produced by the applicant during the current season, stated in hundredweights, by varieties, grades, and sizes;

(d) The estimated percentage of the applicant's potato crop (excluding culls) which cannot be shipped because of grade and size regulations then in effect and the acts beyond his control or reasonable expectation adversely affecting his potatoes;

(e) The quantity of potatoes of each variety (excluding culls) which has already been sold or otherwise shipped during the current season;

(f) The signature of the applicant and certification that the statements given in the application are true and correct; and

(g) Such additional information as the area committee may find necessary in making a determination regarding the granting of an exemption certificate.

§ 948.131 Federal-State inspection reports.

Each application for exemption shall be accompanied by a written report of a Federal-State Inspector, which shall contain the following:

(a) A statement by the inspector that he personally inspected the potatoes with respect to which exemption is requested, and that he took a representative sample of such potatoes;

(b) A statement of the percentage of the potatoes (excluding culls) which fail to meet the requirements of the grade and size regulations then in effect;

(c) A statement of the defects or damage causing the potatoes to fail to meet grade and size requirements then in effect.

In the event that more than one variety of potatoes is being regulated the above percentage shall be determined separately for each variety of the applicant's potatoes. The cost of Federal-State inspection and report shall be borne by the applicant for exemption.

§ 948.132 Issuance of exemption certificates.

(a) The respective area committee receiving an application for exemption shall give prompt consideration thereto and determine on the basis of the statements and facts therein contained and the factors set forth in § 948.30 whether the application may be approved. The determination, if favorable, shall be evidenced by the issuance of a certificate of exemption pursuant to §§ 948.28 through 948.32. If the applicant's request for exemption is denied, he shall be so notified in writing.

(b) Each certificate of exemption issued as provided in this subpart, shall contain the name and address of the applicant, the location of his farm or ranch, the location, or locations, of all potatoes remaining to be shipped, the total quantity of potatoes which may be shipped under the certificate of exemption, and such other information as the area committee may deem desirable.

(c) The committee may furnish each applicant receiving a certificate of exemption with appropriate subcertificates of exemption to identify each lot of exempted potatoes and a subcertificate shall be transferable with the lot of potatoes to which it applies. Each applicant receiving a certificate of exemption shall report each shipment of potatoes made under such certificate to the respective area committee issuing the certificate. The report shall state the name and address of the person to whom the potatoes were sold, the quantity sold, the date of transfer, and such other information as the committee may request.

MODIFICATION OF INSPECTION REQUIREMENTS

§ 948.140 Application.

Any handler whose packing facilities are located in an area where inspection is not readily available or the actual cost for inspection would otherwise exceed 1½ times the current per hundred-weight inspection fee, may apply to the respective area committee for a waiver from the reinspection requirements. Applications shall be made on forms
