

**§ 953.41**

the event it becomes advisable to deviate from such marketing policy, because of changed demand and supply conditions, or as the Secretary may request, the committee shall formulate a revised marketing policy and shall submit a report thereon to the Secretary. Notice of each such marketing policy and revision thereof shall be given to producers, handlers, and other interested parties by bulletins, newspapers, or other appropriate media, and copies thereof shall be available for examination at the committee office to all interested parties.

[33 FR 8504, June 8, 1968]

**§ 953.41 Recommendations for regulations.**

(a) It shall be the duty of the committee to investigate supply and demand conditions for grades, sizes, and qualities of all potatoes. Whenever the committee finds that such conditions make it advisable to regulate the shipment of particular grades, sizes, or qualities of potatoes during any period in any or all portions of the production area, it shall recommend to the Secretary the particular grades, sizes, and qualities, or any combination thereof, of such potatoes deemed advisable to be shipped during such period: *Provided*, That the committee shall not recommend to the Secretary any regulation limiting the shipment of U.S. No. 1 grade or better, as such grades are defined in United States Standards for Potatoes in effect at the time of recommendation.

(b) In determining the grades, sizes, and qualities of potatoes or any and all combinations thereof deemed advisable to be regulated in view of the prospective demand thereof, the committee shall give due consideration to the following factors:

(1) Market prices, including prices by grades and sizes, of potatoes for which regulation is recommended;

(2) Potatoes on hand in the market areas as manifested by supplies en route and on track at the principal markets;

(3) Available supply, quality, and condition of potatoes in the production area and other production areas;

(4) Supplies from competing areas and regions producing potatoes;

(5) The trend and level of consumer income; and

(6) Other relevant factors.

**§ 953.42 Issuance of regulations.**

Whenever the Secretary shall find, from the recommendations, information and evidence submitted by the committee, or from other available information, that to limit the shipment of potatoes to particular grades, sizes, and qualities thereof in any or all portions of the production area would tend to effectuate the declared policy of the act, he shall so limit by appropriate regulations thereon the shipments of such potatoes during a specified period. The Secretary shall notify the committee of any such regulation and the committee shall give reasonable notice thereof to handlers: *Provided*, That no regulations shall be issued under this subpart limiting the shipment of U.S. No. 1 grade or better, as such grades are defined in United States Standards for Potatoes in effect at the time such regulations are issued.

**§ 953.43 Minimum standards of quality.**

(a) *Recommendation.* Whenever the committee deems it advisable to establish and maintain minimum standards of quality governing the shipment of potatoes, it shall recommend to the Secretary such minimum standards of quality in terms of grades, sizes, or both, below which shipments are to be prohibited. At the time of submitting each such recommendation, the committee shall also submit to the Secretary the supporting data and information upon which it acted in making such recommendation. The committee shall submit in support of its recommendations such other data and information as may be requested by the Secretary, and shall promptly give adequate notice to all handlers and growers of each such recommendation.

(b) *Establishment.* Whenever the Secretary finds, from the recommendations and information submitted by the committee, or from other available information, that to prohibit the shipment of potatoes below certain specified minimum grades, or smaller than certain specified minimum sizes, or both, would be in the public interest
