§ 982.446 Inspection documentation.

Pursuant to §982.46(b), handlers are required to use the following identification on bags and cartons of 25 pounds or larger capacity which contain certified hazelnuts:

(a) The words "This Produce Inspected and Certified Per Federal Marketing Order No. 982" shall be contained within an outline of the combined States of Oregon and Washington; and

(b) This identification shall be printed on the upper right quarter of the printed side of a bag; or

(c) This identification shall be printed on the upper right quarter of one of the side panels of a carton.

§ 982.450 Application of restricted obligation.

(a) Each handler required to withhold restricted hazelnuts pursuant to §982.50 or §982.51 shall hold such hazelnuts separate from all other hazelnuts and shall maintain the identity of each lot so withheld. The restricted product withheld must be reported to the Board on F/H Form 1d, Restricted Inshell Certified.

(b) Each handler making the election pursuant to §982.50(c) in connection with certified merchantable hazelnuts which have not been handled, shall thereupon give written notification to the Board on F/H Form 4 of the particular election and of the weight and identity of the hazelnuts involved.

(c) Pursuant to §982.50(d), a handler may withdraw from withholding restricted hazelnuts in excess of such

handler's restricted obligation upon advising the Board of the weight and lot identity of the hazelnuts to be withdrawn. When the quantity of restricted hazelnuts to be withdrawn from withholding consists of a part of a lot of ungraded hazelnuts, no part of such lot shall be withdrawn unless the remainder of such lot is reinspected and meets the requirements of §982.51. Handlers will use F/H Form 1d prior to the end of the marketing year or F/H Form 7 after the end of the marketing year, when reporting the withdrawal of restricted hazelnuts from withholding status.

§ 982.452 Disposition of restricted hazelnuts.

(a) *Shelling.* (1) Any person desiring to shell restricted hazelnuts during a fiscal year may do so upon being designated by the Board as an authorized sheller for such year. Application for such designation shall be made in duplicate on F/H Form B and include, in addition to the conditions specified in §982.52(a), the following: (i) The location of the applicant's shelling operation; (ii) the number of years such person has operated a hazelnut shelling plant; and (iii) the daily (8-hour) shelling capacity of the plant. Designation of an authorized sheller shall be effected by the board manager signing the application form and returning a signed copy of the form to the applicant. Each such designation shall continue in effect during the particular fiscal year so long as the authorized sheller is in compliance with the requirements and conditions pursuant to §982.52 applicable to authorized shellers.

(2) When an authorized sheller completes the shelling of a lot of restricted hazelnuts, the sheller shall submit a report thereon to the Board on F/H Form 7 showing: (i) The date shelling was completed; (ii) the inspection certificate or lot number; (iii) the quantity shelled; (iv) the weight of the kernels produced; and (v) the location where restricted hazelnuts were held immediately prior to shelling.

(b) *Exports.* Any handler who desires to act as agent of the Board in negotiating export sales of certified merchantable restricted hazelnuts may do

§ 982.453

so upon the execution of an "Export Agreement", F/H Form A, wherein the handler agrees, among other things, to negotiate such export sales at not less than such price as the Board may prescribe, and in conformity to and compliance with the other terms and conditions of the Export Agreement including those set forth in §982.52(b).

(c) *Other authorized outlets.* Under the direction or supervision of the Board, a handler may dispose of restricted hazelnuts for charitable purposes and for promoting the consumption of hazelnuts on behalf of the hazelnut industry in general. The report required under §982.67(b) following each such disposition shall be accompanied by a certification by the person receiving such hazelnuts from the handler that they will be used for charitable or promotional purposes, as authorized.

§ 982.453 Disposition of substandard hazelnuts.

The Board shall maintain a list of approved users who are crushers, livestock feed manufacturers, or livestock feeders, and of the locations of the facilities to which substandard hazelnuts may be shipped. Users interested in purchasing substandard hazelnuts or hazelnut waste must make prior application to the Board on F/H Form D to be included on the approved list of such users. Each handler who disposes of substandard hazelnuts to an approved user shall, upon shipment, report to the Board on F/H Form D1 the quantities disposed of or shipped. Substandard hazelnuts disposed of to an approved user may only be shipped directly to an approved location where the crushing, feed manufacture, or feeding is to take place. The Board may deny approval to any user application, or may remove any user from the approved list when such denial or removal is deemed necessary to ensure control over disposition of substandard hazelnuts. This may occur if the Board determines that substandard hazelnuts are not properly shipped to, or utilized at, approved facilities, in compliance with this requirement. F/H Form D includes the location and description of

the disposal facilities to be used as well as a certification to the Board and the Secretary of Agriculture that the applicant will:

(a) Crush, manufacture feed, or feed to livestock such hazelnuts at the location;

(b) Use such hazelnuts for no other purpose than for crushing into oil, manufacturing into livestock feed, or livestock feeding;

(c) Permit such inspection of premises and of hazelnuts received and held, and such examination of books and records covering hazelnut transactions as the Board may require;

(d) Keep a record of receipts, holdings, and use of substandard hazelnuts available for examination by authorized representatives of the Board and the U.S. Department of Agriculture for a period of two years after the end of the marketing year in which the recorded transactions are completed; and

(e) Make such reports, certified to the Board and the Secretary of Agriculture as to their correctness, as the Board with the approval of the Secretary may require.

§ 982.454 Sureties acceptable to the Board.

Bonds secured by cash, cashier's or certified checks, or by assets that are entirely separate and apart from the handler named in the bond may be accepted by the Board pursuant to §982.54(a). As a condition of accepting any surety, the Board may require such financial statements or other information relating to the ability of such surety to guarantee a handler's bond as it deems necessary. Handlers are also required to submit F/H Form C to the Board to document the handler's execution of a bond.
