

(f) *Filing and retention of certificates.* The executed Date Form No. 2 "Dates for Processing—Section 8e Certification of Processor or Reseller" required to be filed pursuant to this section shall be executed in not less than three copies, of which one shall be filed with the Fruit and Vegetable Division not later than the fifth day of the month immediately following the month of delivery of the dates covered thereby, one shall be retained by the importer and one shall be retained by the person accepting delivery.

(g) *Reclassification.* Any dates submitted for importation as dates for packaging or dates in retail packages that fail to meet the import requirements of this section may, upon execution of Date Form No. 1 "Dates—Section 8e Entry Declaration," be resubmitted for importation as dates for processing subject to the limitations of paragraph (j) of this section. Subsequent to importation, (1) any dates for processing other than dates that were resubmitted for importation in accordance with the preceding sentence and (2) any dates for packaging which through unintentional error were submitted for importation as dates for processing, either category having been covered by an executed Date Form No. 1, may if still held by the importer and if certified by a USDA inspector as meeting the requirements of this section for dates for packaging, be so reclassified and used. The reclassification to dates for packaging shall not be applicable to any dates that were falsely classified, other than through unintentional error, as dates for processing and submitted as such for importation.

(h) *Reconditioning.* Nothing contained in this section shall preclude the reconditioning of failing lots of dates, prior to importation, so that such dates may be made eligible to meet the grade requirements prescribed in paragraph (b) of this section.

(i) *Books and records.* Each person subject to this section shall maintain true and complete records of his transactions with respect to imported dates. Such records and copies of executed forms shall be retained for not less than two years subsequent to the calendar year of acquisition. The Secretary, through his duly authorized

representatives, shall have access to any such person's premises during regular business hours and shall be permitted at any such times to inspect such records and any dates held by such person.

(j) *Other restrictions.* The provisions of this section do not supersede any restrictions or prohibitions on the importation of dates under the Plant Quarantine Act of 1912, the Federal Food, Drug, and Cosmetic Act, or any other applicable laws or regulations or the need to comply with applicable food and sanitary regulations of city, county, State, or Federal agencies.

(k) *Compliance.* Any person who violates any provision of this section shall be subject to a forfeiture in the amount prescribed in section 8a(5) of the Agricultural Marketing Agreement Act of 1937, as amended (sections 1-19, 48 Stat. 31, as amended; 7 U.S.C. 601-674), or, upon conviction, a penalty in the amount prescribed in section 8c(14) of said act, or to both such forfeiture and penalty. False representations to an agency of the United States on any matter within its jurisdiction, knowing it to be false, is a violation of 18 U.S.C. 1001 which provides for a fine or imprisonment or both.

§ 999.100 Regulation governing imports of walnuts.

(a) *Definitions.* (1) *Walnuts* means all walnuts commonly known as English or Persian walnuts (*Juglans regia*).

(2) *Inshell walnuts* means walnuts, the kernels or edible portions of which are contained in the shell.

(3) *Shelled walnuts* means the kernels of walnuts after the shells are removed.

(4) *Person* means any individual, partnership, corporation, association, or other business unit.

(5) *USDA Inspector* means any Federal or Federal-State inspector of the Fresh Products Standardization and Inspection Branch of the Fruit and Vegetable Division, Consumer and Marketing Service, United States Department of Agriculture.

(6) *Importation of walnuts* means the release of walnuts from the custody of the United States Customs Service.

(b) *Grade and size regulations.* No person may import walnuts (*Juglans regia*) into the United States unless such walnuts have been inspected and certified by a USDA inspector as meeting the following requirements:

(1) *Inshell walnuts.* All inshell walnuts shall be of a quality equal to or better than the requirements of U.S. No. 2 and "baby" size as prescribed in the United States Standards for Walnuts (*Juglans regia*) in the Shell (§§51.2945 through 51.2966 of this title); or

(2) *Shelled walnuts.* All shelled walnuts shall be of a quality equal to or better than the requirements for U.S. Commercial Grade as prescribed in the United States Standards for Shelled Walnuts (*Juglans regia*) (§§51.2275 through 51.2294 of this title excluding §§51.2278(b), 51.2284 and 51.2285) effective January 25, 1959, except that the minimum size shall be pieces not more than five percent of which will pass through a round opening $\frac{3}{4}$ inch in diameter and no other size requirements shall apply.

(c) *Inspection and certification.* (1) All inspections and certifications required by paragraph (b) of this section shall be made by USDA inspectors in accordance with the regulations governing the inspection and certification of fresh fruits, vegetables, and other products (Part 51 of this title). The cost of inspection and certification shall be borne by the applicant.

(2) Each inspection certificate shall set forth among other things the following:

- (i) The date and place of inspection;
- (ii) The name of the applicant;
- (iii) The name of the importer;
- (iv) The quantity and identifying marks of the container; and
- (v) The statement, if applicable, "Meets U.S. import requirements under section 8e of the Agricultural Marketing Agreement Act of 1937".

(3) Whenever walnuts are offered for inspection, the applicant shall furnish any labor and pay any costs incurred in moving and opening containers as may be necessary for proper sampling and inspection. The applicant shall also

furnish the USDA inspector the entry number and such other identifying information for each lot as he may request.

(4) Inspection must be completed prior to the importation of walnuts. To avoid delay the applicant should make advance arrangements with the USDA inspection office.

(d) *Reconditioning prior to importation.* Nothing contained in this section shall be deemed to preclude reconditioning walnuts prior to importation, in order that such walnuts may be made eligible to meet the grade and size regulations prescribed in paragraph (b) of this section.

(e)(1) *Minimum quantity.* Notwithstanding any other provision of this section, the importation of any lot of walnuts which does not exceed, in net weight, 60 pounds of shelled walnuts or 115 pounds of inshell walnuts shall be exempt from the requirements of this section.

(2) *Exemptions.* The grade, size, quality and maturity requirements of this section shall not apply to walnuts which are: green walnuts (so immature that they cannot be used for drying and sale as dried walnuts); walnuts used in non-competitive outlets such as use by charitable institutions, relief agencies, governmental agencies for school lunch programs, and diversion to animal feed or oil manufacture, but such walnuts shall be subject to the safeguard provisions contained in §999.500.

(f) *Other import requirements.* The provisions of this section do not supersede any restrictions or prohibitions on walnuts under the Federal Plant Quarantine Act of 1912, or any other applicable laws or regulations of city, county, State, or Federal Agencies including the Federal Food, Drug and Cosmetic Act.

(g) *Compliance.* Any person violating any of the provisions of this regulation is subject to a forfeiture in the amount prescribed in section 608a(5) of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), or, upon conviction, a penalty in the amount prescribed in section 608c(14) of said act, or to both such forfeiture and penalty. False representations in any matter within the jurisdiction of any agency of the United States, knowing

§ 999.200 Regulation governing the importation of prunes.

(a) *Definitions.* (1) *Prunes* means and includes all sun-dried or artificially dehydrated plums, of any type of variety, produced from plums, except: Sulfur-bleached prunes which are produced from yellow varieties of plums and are commonly known as silver plums; (ii) plums which have not been dried or dehydrated to a point where they are capable of being stored prior to packing, without material deterioration or spoilage unless refrigeration or other artificial means of preservation are used, and so long as they are treated by a process which is in conformity with, or generally similar to, the processes for treatment of plums of that type which have been developed or recommended by the Food Technology Division, College of Agriculture, University of California, for the specialty pack known as "high moisture content prunes", but this exception shall not apply if and when such plums are dried to the point where they are capable of being stored without material deterioration or spoilage, refrigeration or other artificial means of preservation; and (iii) brine dried prunes that have been impregnated with brine or salt during the dehydration process to the extent that they have lost their form and character as prunes, and cannot be reconstituted to permit economic use of the individual fruits as prunes, and are imported under International Harmonized Tariff Schedule No. 0813.20.1000.

(2) *Pitted prunes* means prunes with the pit removed that are characterized by a uniform depression and minimal skin break where the pit has been removed.

(3) *Macerated prunes* means dried prunes with the pit removed that are characterized by a flattened appearance with slightly more skin break where the pit has been removed than with pitted prunes.

(4) *Standard prunes* means any lot of prunes meeting the grade and size requirements prescribed in paragraph (b)(1) of this section.

(5) *Standard pitted prunes* means any lot of pitted prunes meeting the grade requirements prescribed in paragraphs (b)(2) and (b)(3) of this section.

(6) *Standard pitted macerated prunes* means any lot of pitted macerated prunes meeting the grade requirements in paragraphs (b)(2) and (b)(4) of this section.

(7) *Manufacturing grade substandard prunes* means any lot of prunes which meets the grade requirements prescribed in paragraph (b)(5) of this section but fails to meet the requirements for standard prunes, standard pitted prunes and standard pitted macerated prunes.

(8) *Size* means the number of prunes contained in a pound.

(9) *Person* means any individual, partnership, corporation, association, or other business unit.

(10) *Fruit and Vegetable Division* means the Fruit and Vegetable Division of the Agricultural Marketing Service, U.S. Department of Agriculture, Washington, DC 20250.

(11) *USDA inspector* means an inspector of the Processed Products Standardization and Inspection Branch, Fruit and Vegetable Division, or any other duly authorized employee of the USDA.

(12) *Importation* means release from custody of the U.S. Bureau of Customs.

(13) *Undersized prunes* means those prunes that pass freely through a round opening $\frac{23}{32}$ of an inch in diameter.

(b) *Grade and size requirements.* (1) Except as provided in paragraph (b)(5) or paragraph (d) of this section, no person may import any lot of prunes into the United States unless the prunes are inspected and an inspection certificate issued with respect thereto, and the lot meets the applicable grade requirements specified in exhibit A of this section and the average count (i.e., number) of the prunes in such lot is 100 or less per pound. In determining whether any lot conforms to the size requirement, the following tolerance shall apply: In a sample of 100 ounces, the count per pound of 10 ounces of smallest prunes may not vary from the
