### § 292.2 Organizations qualified for recognition; requests for recognition; withdrawal of recognition; accreditation of representatives; roster.

(a) *Qualifications of organizations.* A non-profit religious, charitable, social service, or similar organization established in the United States and recognized as such by the Board may designate a representative or representatives to practice before the Service alone or the Service and the Board (including practice before the Immigration Court). Such organization must establish to the satisfaction of the Board that:

(1) It makes only nominal charges and assesses no excessive membership dues for persons given assistance; and

(2) It has at its disposal adequate knowledge, information and experience.

(b) *Requests for recognition.* An organization having the qualifications prescribed in paragraph (a) of this section may file an application for recognition on a Form G-27 directly with the Board, along with proof of service of a copy of the application on the district director having jurisdiction over the area in which the organization is located. The district director, within 30 days from the date of service, shall forward to the Board a recommendation for approval or disapproval of the application and the reasons therefor, or request a specified period of time in which to conduct an investigation or otherwise obtain relevant information regarding the applicant. The district director shall include proof of service of a copy of such recommendation or request on the organization. The organization shall have 30 days in which to file a response with the Board to a recommendation by a district director that is other than favorable, along with proof of service of a copy of such response on the district director. If the Board approves a request for time to

conduct an investigation, or in its discretion remands the application to the district director for further information, the organization shall be advised of the time granted for such purpose. The Service shall promptly forward the results of any investigation or inquiry to the Board, along with its recommendations for approval or disapproval and the reasons therefor, and proof of service of a copy of the submission on the organization. The organization shall have 30 days from the date of such service to file a response with the Board to any matters raised therein, with proof of service of a copy of the response on the district director. Requests for extensions of filing times must be submitted in writing with the reasons therefor and may be granted by the Board in its discretion. Oral argument may be heard before the Board in its discretion at such date and time as the Board may direct. The organization and Service shall be informed by the Board of the action taken regarding an application. Any recognized organization shall promptly notify the Board of any changes in its name, address, or public telephone number.

(c) *Withdrawal of recognition.* The Board may withdraw the recognition of any organization which has failed to maintain the qualifications required by § 292.2(a). Withdrawal of recognition may be accomplished in accordance with the following procedure:

(1) The Service, by the district director within whose jurisdiction the organization is located, may conduct an investigation into any organization it believes no longer meets the standards for recognition.

(2) If the investigation establishes to the satisfaction of the district director that withdrawal proceedings should be instituted, he shall cause a written statement of the grounds upon which withdrawal is sought to be served upon the organization, with notice to show cause why its recognition should not be withdrawn. The notice will call upon the organization to appear before a special inquiry officer for a hearing at a time and place stated, not less than 30 days after service of the notice.

(3) The special inquiry officer shall hold a hearing, receive evidence, make findings of fact, state his recommenda-

tions, and forward the complete record to the Board.

(4) The organization and the Service shall have the opportunity of appearing at oral argument before the Board at a time specified by the Board.

(5) The Board shall consider the entire record and render its decision. The order of the Board shall constitute the final disposition of the proceedings.

(d) *Accreditation of representatives.* An organization recognized by the Board under paragraph (b) of this section may apply for accreditation of persons of good moral character as its representatives. An organization may apply to have a representative accredited to practice before the Service alone or the Service and the Board (including practice before immigration judges). An application for accreditation shall fully set forth the nature and extent of the proposed representative's experience and knowledge of immigration and naturalization law and procedure and the category of accreditation sought. No individual may submit an application on his or her own behalf. An application shall be filed directly with the Board, along with proof of service of a copy of the application on the district director having jurisdiction over the area in which the requesting organization is located. The district director, within 30 days from the date of service, shall forward to the Board a recommendation for approval or disapproval of the application and the reasons therefor, or request a specified period of time in which to conduct an investigation or otherwise obtain relevant information regarding the applicant. The district director shall include proof of service of a copy of such recommendation or request on the organization. The organization shall have 30 days in which to file a response with the Board to a recommendation by a district director that is other than favorable, with proof of service of a copy of such response on the district director. If the Board approves a request for time to conduct an investigation, or in its discretion remands the application to the district director for further information, the organization shall be advised of the time granted for such purpose. The district director shall

promptly forward the results of any investigation or inquiry to the Board, along with a recommendation for approval or disapproval and the reasons therefor, and proof of service of a copy of the submission on the organization. The organization shall have 30 days from the date of service to file a response with the Board to any matters raised therein, with proof or service of a copy of the response on the district director. Requests for extensions of filing times must be submitted in writing with the reasons therefor and may be granted by the Board in its discretion. Oral argument may be heard before the Board in its discretion at such date and time as the Board may direct. The Board may approve or disapprove an application in whole or in part and shall inform the organization and the district director of the action taken with regard to an application. The accreditation of a representative shall be valid for a period of three years only; however, the accreditation shall remain valid pending Board consideration of an application for renewal of accreditation if the application is filed at least 60 days before the third anniversary of the date of the Board's prior accreditation of the representative. Accreditation terminates when the Board's recognition of the organization ceases for any reason or when the representative's employment or other connection with the organization ceases. The organization shall promptly notify the Board of such changes.

(e) *Roster.* The Board shall maintain an alphabetical roster of recognized organizations and their accredited representatives. A copy of the roster shall be furnished to the Commissioner and he shall be advised from time to time of changes therein.

**§ 292.3 Professional conduct for practitioners—Rules and procedures.**

(a) *General provisions—(1) Authority to sanction.* An adjudicating official or the Board of Immigration Appeals (the Board) may impose disciplinary sanctions against any practitioner if it finds it to be in the public interest to do so. It will be in the public interest

to impose disciplinary sanctions against a practitioner who is authorized to practice before the Service when such person has engaged in criminal, unethical, or unprofessional conduct, or in frivolous behavior, as set forth in § 3.102 of this chapter. In accordance with the disciplinary proceedings set forth in part 3 of this chapter, an adjudicating official or the Board may impose any of the following disciplinary sanctions:

(i) Expulsion, which is permanent, from practice before the Board and the Immigration Courts or the Service, or before all three authorities;

(ii) Suspension, including immediate suspension, from practice before the Board and the Immigration Courts or the Service, or before all three authorities;

(iii) Public or private censure; or

(iv) Such other disciplinary sanctions as the adjudicating official or the Board deems appropriate.

(2) *Persons subject to sanctions.* Persons subject to sanctions include any practitioner. A practitioner is any attorney as defined in § 1.1(f) of this chapter who does not represent the federal government, or any representative as defined in § 1.1(j) of this chapter. Attorneys employed by the Department of Justice shall be subject to discipline pursuant to paragraph (i) of this section.

(b) *Grounds of discipline as set forth in § 3.102 of this chapter.* It is deemed to be in the public interest for the adjudicating official or the Board to impose disciplinary sanctions as described in paragraph (a)(1) of this section against any practitioner who falls within one or more of the categories enumerated in § 3.102 of this chapter, with the exception of paragraphs (k) and (l) of that section, but these categories do not constitute the exclusive grounds for which disciplinary sanctions may be imposed in the public interest. Nothing in this regulation should be read to denigrate the practitioner's duty to represent zealously his or her client within the bounds of the law.

(c) *Immediate suspension and summary disciplinary proceedings; duty of practitioner to notify the Service of conviction or discipline—(1) Petition.* The Office of the General Counsel of the Service
