or affixed to or printed on the packaging material of any product.

(e) *Official device* means a printed label, or other method as approved by the Secretary for the purpose of applying any official mark or other identification to any product of the packaging material thereof.

ADMINISTRATION

§ 592.10 Authority.

The Administrator shall perform, for and under the supervision of the Secretary, such duties as the Secretary may require in the enforcement or administration of the provisions of the Act and this part. The Administrator is authorized to waive for a limited period any particular provisions of the regulations in this part to permit experimentation so that new procedures, equipment, and processing techniques may be tested to facilitate definite improvements and at the same time to determine full compliance with the spirit and intent of the regulations in this part. The Food Safety Inspection Service and its officers and employees shall not be liable in damages through acts of commission or omission in the administration of this part.

GENERAL

§ 592.20 Kinds of services available.

The regulations in this part provide for the following kinds of services:

- (a) Inspection of the processing in official plants of products containing eggs;
- (b) Sampling of products; and
- (c) Quantity and condition inspection of products.

§ 592.22 Where service is offered.

Any product may be inspected wherever inspection program personnel are available and the facilities and the conditions are satisfactory for the conduct of the service.

§ 592.24 Basis of service.

(a) Products shall be inspected in accordance with such standards, methods, and instructions as may be issued or approved by the Administrator. All service shall be subject to supervision at all times by the applicable FSIS des-

9 CFR Ch. III (1-1-05 Edition)

ignated supervisor. Whenever the supervisor of an inspection program person has evidence that such inspection program employee incorrectly inspected a product, such supervisor shall take such action as is necessary to correct the inspection and to cause any improper official identification that appears on the product or containers thereof to be corrected prior to shipment of the product from the place of the initial inspection.

(b) Whenever service is performed on a sample basis, such sample shall be drawn in accordance with the instructions as issued by the Administrator.

PERFORMANCE OF SERVICES

§ 592.70 Identification.

All inspection program personnel and supervisors shall have in their possession at all times while on duty and present upon request the means of identification furnished by the Department to such person.

§ 592.80 Political activity.

All inspection program personnel are forbidden during the period of their respective appointments, to take an active part in political management or in political campaigns. Political activity in city, county, State, or national elections, whether primary or regular, or in behalf of any party or candidate is prohibited, except as authorized by law or regulation of the Department. This applies to all appointees, including, but not being limited to, temporary and cooperative employees and employees on leave of absence with or without pay. Willful violation of this section will constitute grounds for dismissal.

§ 592.90 Authority and duties of inspection program personnel performing service.

(a) Inspection program personnel are authorized:

- (1) To make such observations and inspections as they deem necessary to enable them to certify that products have been prepared, processed, stored, and otherwise handled in conformity with the regulations in this part;

(2) To supervise the marking of packages containing products that are eligible to be identified with official identification;

(3) To retain in their custody, or under their supervision, labels with official identification, marking devices, samples, certificates, seals, and reports of inspection program personnel;

(4) To deface or remove, or cause to be defaced or removed under their personal supervision, any official identification from any package containing products whenever the program employee determines that such products were not processed in accordance with the regulations in this part or are not fit for human food;

(5) To issue a certificate upon request on any product processed in the official plant; and

(6) To use retention tags or other devices and methods as may be approved by the Administrator for the identification and control of products that are not in compliance with the regulations in this part or are held for further examination, and any equipment, utensils, rooms or compartments that are found to be unclean or otherwise in violation of any of the regulations in this part. No product, equipment, utensil, room, or compartment shall be released for use until it has been made acceptable. Such identification shall not be removed by anyone other than inspection program personnel.

(b) Inspection program personnel shall prepare such reports and records as may be prescribed by the Administrator.

§ 592.95 Facilities and equipment to be furnished for use of inspection program personnel in performing service.

(a) Facilities and equipment for proper sampling, weighing, examination of products, and monitoring processing procedures shall be furnished by the official plant for use by inspection program personnel. Such facilities and equipment shall include but not be limited to a room or area suitable for sampling product and stationary or adequately secured storage box or cage (capable of being locked only by inspection program personnel) for holding official samples.

(b) Acceptable furnished office space and equipment, including but not being limited to, a desk, lockers or cabinets (equipped with a satisfactory locking device) suitable for the protection and storage of supplies, and with facilities for inspection program personnel to change clothing.

§ 592.96 Schedule of operation of official plants.

Inspection operating schedules for services performed pursuant to this part shall be requested in writing and approved by the appropriate District Office. Normal operating schedules for a full-week consist of a continuous 8-hour period per day (excluding but not to exceed 1 hour for lunch), 5 consecutive days per week, within the administrative workweek, Sunday through Saturday, for each shift required. Less than 8-hour schedules may be requested and will be approved if inspection program personnel are available. Clock hours of daily operations need not be specified in the request, although as a condition of continued approval, the hours of operation shall consist of a continuous 10-hour period per day (excluding but not to exceed 1 hour for lunch), 4 consecutive days per week, within the administrative workweek, Sunday through Saturday for each full shift required. Inspection program personnel are to be given reasonable advance notice by management of any change in the hours the inspection service is requested.

APPLICATION FOR SERVICE

§ 592.100 Who may obtain service.

(a) An application for service may be made by any interested person, including, but not being limited to, the United States, any State, county, municipality, or common carrier, and any authorized agent of the foregoing.

(b) Where service is offered: Any product may be inspected, wherever an inspection program employee is available and the facilities and the conditions are satisfactory for the conduct of the service.

(c) The applicant must have a tax identification number for billing purposes.
