

will not occur until after approval from the Department of Justice is received.

(2) The reviewing authority is responsible for determining if removal or modification of any CIM classification other than a Department of Justice Witness Security case is appropriate. The inmate retains the CIM classification pending a decision by the reviewing authority.

(3) When an inmate is removed for any reason from a CIM classification (for example, because the reviewing authority either disapproves the CIM classification or approves removal of a CIM classification based on new information), the appropriate staff member shall ensure that the relevant portions of the inmate central file are either removed or, when part of a larger document, are amended to clearly reflect removal of the CIM assignment. Staff shall notify the inmate of the decision and document any change in the inmate's record, and supportive documentation and the written basis for removal are to be retained in the inmate privacy file.

§ 524.74 Activities clearance.

(a) Except as provided for in paragraph (b) of this section, the Warden is the clearance authority on all transfers, temporary releases, community activities, and escorted trips.

(b) *Witness Security cases.* Central Office Inmate Monitoring Section staff shall be the clearance authority on all transfers, temporary releases, community activities, and escorted trips for Witness Security cases, except in a medical emergency. In a medical emergency, the Warden may transfer a Witness Security case to a local hospital for emergency medical care without prior clearance.

§ 524.75 Periodic review.

The Warden shall ensure that the status of an inmate's CIM assignment is considered at each program review. When staff believe that removal or modification of a CIM classification is appropriate, the institution's CMC and the appropriate reviewing authority must be notified. Only the reviewing authority shall determine if removal or modification of the CIM classification is appropriate.

§ 524.76 Appeals of CIM classification.

An inmate may at any time appeal (through the Administrative Remedy Program) the inmate's classification as a CIM case. Inmates identified as Witness Security cases may choose to address their concerns directly to the Inmate Monitoring Section, Central Office, rather than use the Administrative Remedy Program.
