(3) Amendments to the appropriate subpart of part 1952 of this chapter;

(4) A statement that the Assistant Secretary is not precluded from revoking his determination and reinstating his standards and enforcement authority under §1902.47 *et seq.*, if his continuing evaluations under section 18(f) of the Act show that the State has substantially failed to maintain a program which is at least as effective as operations under the Federal program, or if the State does not submit program change supplements to its plan to the Assistant Secretary as required by 29 CFR part 1953.

**§1902.44 Requirements applicable to State plans granted affirmative 18(e) determinations.**

(a) A State whose plan, or modification thereof, has been granted an affirmative 18(e) determination will be required to maintain a program within the scope of such determination which will be "at least as effective as" operations under the Federal program in providing employee safety and health protection at covered workplaces within the comparable scope of the Federal program. This requirement includes submitting all required reports to the Assistant Secretary, as well as submitting supplements to the Assistant Secretary for his approval whenever there is a change in the State's program, whenever the results of evaluations conducted under section 18(f) show that some portion of a State plan has an adverse impact on the operations of the State plan or whenever the Assistant Secretary determines that any alteration in the Federal program could have an adverse impact on the "at least as effective as" status of the State program. See part 1953 of this chapter.

(b) A substantial failure to comply with the requirements of this section may result in the revocation of the affirmative 18(e) determination and the resumption of Federal enforcement authority, and may also result in proceedings for the withdrawal of approval

of the plan or any portion thereof pursuant to part 1955 of this chapter.

(b) If the Assistant Secretary determines that a State plan, or a separable portion thereof, has not met the criteria of section 18(c) of the Act and that actual operations under the plan, or portion thereof, have not met the criteria for an affirmative determination set forth in §1902.37, he shall retain his standards authority under section 6 of the Act and his enforcement authority under sections 5(a)(2), 8, 9, 10, 13, and 17 of the Act for those issues covered under the plan or such portions of the plan which were subject to his negative determination.

(c) A decision under this section may result in the commencement of proceedings for withdrawal of approval of the plan or any separable portion thereof pursuant to part 1955 of this chapter.

(d) Where the Assistant Secretary determines that operations under a State plan or any separable portion thereof have not met the criteria for an affirmative 18(e) determination, but are not of such a nature as to warrant the initiation of withdrawal proceedings, the Assistant Secretary may, at his discretion, afford the State a reasonable time to meet the criteria for an affirmative 18(e) determination after which time he may initiate proceedings for withdrawal of plan approval. This discretionary authority will be applied in the following manner:

(1) Upon determining that a State shall be subject to a final 18(e) determination, the Assistant Secretary shall notify the agency designated by the State to administer its program, within the State of his decision that the State's program, or a separable portion thereof, shall be subject to a final 18(e) determination.
