AUTHORITY: 29 U.S.C. 661(g); 5 U.S.C. 552b(d)(4); 5 U.S.C. 552b(g).

SOURCE: 50 FR 51679, Dec. 19, 1985, unless otherwise noted.

§ 2203.1 Purpose and scope.

This part applies to all meetings of the Occupational Safety and Health Review Commission. Its purpose is to implement the Government in the Sunshine Act, 5 U.S.C. 552b. The rules in this part are intended to open to public observation, to the extent practicable, the meetings of the Commission, while preserving the Commission's ability to fulfill its adjudicatory responsibilities and protecting the rights of individuals.

§ 2203.2 Definitions.

For the purposes of this part:

Expedited closing procedure means the simplified procedures described at 5 U.S.C. 552b(d)(4) for announcing and closing certain agency meetings.

General Counsel means the General Counsel of the Commission, the Deputy General Counsel, or any other person designated by the General Counsel to carry out his responsibilities under this part.

Meeting means the deliberations of at least two Commissioners, where such deliberations determine or result in the joint conduct or disposition of "official Commission business." A conference

telephone call among the Commissioners is a *meeting* if it otherwise qualifies as a *meeting* under this paragraph. The term does not include:

(a) The deliberations required or permitted under §§ 2203.4(d) and 2203.5, e.g., a discussion of whether to open or close a meeting under this part;

(b) Business that is conducted by circulating written materials sequentially among the Commissioners for their consideration on an individual basis;

(c) A gathering at which the Chairman of the Commission seeks the advice of the other Commissioners on the carrying out of a function that has been vested in the Chairman, by statute or otherwise; or

(d) Informal discussions of the Commissioners that clarify issues and expose varying views but do not effectively predetermine official actions.

Official Commission business means matters that are the responsibility of the Commission acting as a collegial body, including the adjudication of litigated cases. The term does not include matters that are the responsibility of the Commission's Chairman. See, e.g., 29 U.S.C. 661(e).

Regularly-scheduled meetings means meetings of the Commission that are held at 10:00 a.m. on Thursday of each week, except on legal holidays. The term includes regularly-scheduled meetings that have been rescheduled for another time or day.

§ 2203.3 Public attendance at Commission meetings.

(a) *Policy.* Commissioners will not jointly conduct or dispose of official Commission business in a meeting unless it is conducted in accordance with this part. Because the Commission was created for the purpose of adjudicating litigated cases, it can be expected that most of its meetings will be closed to the public. However, meetings that do not involve Commission adjudication or discussion of issues in cases before it will be open to the extent practicable. The public will not be allowed to participate in discussions during open meetings.

(b) *Grounds for closing meetings.* Except where the Commission finds that the public interest requires otherwise,

all or part of a meeting may be closed to the public, and information about a meeting may be withheld from the public, where the Commission determines that the meeting, or part of the meeting, or information about the meeting, is likely to:

(1) Disclose matters that are:

(i) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and

(ii) In fact properly classified pursuant to such Executive order;

(2) Relate solely to the internal personnel rules and practices of the Commission;

(3) Disclose matters specifically exempted from disclosure by statute (other than section 552 of title 5), *Provided*, That such statute

(i) Requires that the matter be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Disclose trade secrets and commercial or financial information obtained from a person are privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential
