these rules, has been filed with the Commission within 30 days after August 5, 1985.

[52 FR 5456, Feb. 23, 1987]

§ 2204.104 Proceedings covered.

The EAJA applies to adversary adjudications before the Commission. These are adjudications under 5 U.S.C. 554 and 29 U.S.C. 659(c) in which the position of the Secretary is represented by an attorney or other representative. The types of proceedings covered are the following proceedings under section 10(c), 29 U.S.C. 659(c), of the OSH Act:

(a) Contests of citations, notifications, penalties, or abatement periods by an employer;

(b) Contests of abatement periods by an affected employee or authorized employee representative; and

(c) Petitions for modification of the abatement periods by an employer.

§ 2204.105 Eligibility of applicants.

(a) To be eligible for an award of attorney or agent fees and other expenses under the EAJA, the applicant must be a party to the adversary adjudication. The term "party" is defined in 5 U.S.C. 551(3). The applicant must show that it satisfies the conditions of eligibility set out in this subpart and subpart B.

(b) The types of eligible applicants are as follows:

(1) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interest, and employs not more than 500 employees;

(2) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(3) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees;

(4) Any other partnership, corporation, association, unit of local government, or public or private organization that has a net worth of not more than \$7 million and employs not more than 500 employees; and

(5) An individual with a net worth of not more than \$2 million.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the notice of contest was filed, or, in the case of a petition for modification of abatement period, the date the petition was received by the Commission under § 2200.34(d).

(d) An applicant who owns an unincorporated business shall be considered as an "individual" rather than a "sole owner of an unincorporated business" only if the issues on which the applicant prevails are related primarily to personal interests rather than business interests.

(e) For the purpose of determining eligibility under the EAJA, the employees of an applicant include all persons who regularly perform services for remuneration for the applicant under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation, or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless such treatment would be unjust and contrary to the purposes of the EAJA in light of the actual relationship between the affiliated entities. In addition, financial relationships of the applicant other than those described in this paragraph may constitute special circumstances that would make an award unjust.
