

employer's board of directors or shareholders, if required), even though no amounts had been contributed under the plan, and

(B) The plan has not been terminated; or

(ii)(A) There was a legally enforceable agreement to establish such a plan signed by the employers and the employee organization, and

(B) The contributions to be made to the plan were set forth in the agreement.

(iii) If a plan was in existence within the meaning of paragraph (b)(2)(i) or (ii) of this section, any other plan with which such existing plan is merged or consolidated shall also be considered to be in existence.

(c) *Plans not in existence before the effective date.* In addition to the provisions of section 3(37)(A)(i)-(iv) of the Act, a multiemployer plan established on or after September 2, 1974, must meet the requirement that it was established for a substantial business purpose. A substantial business purpose includes the interest of a labor organization in securing an employee benefit plan for its members. The following factors are relevant in determining whether a substantial business purpose existed for the establishment of a plan; any single factor may be sufficient to constitute a substantial business purpose:

(1) The extent to which the plan is maintained by a substantial number of unaffiliated contributing employers and covers a substantial portion of the trade, craft or industry in terms of employees or a substantial number of the employees in the trade, craft or industry in a locality or geographic area;

(2) The extent to which the plan provides benefits more closely related to years of service within the trade, craft or industry rather than with an employer, reflecting the fact that an employee's relationship with an employer maintaining the plan is generally short-term although service in the trade, craft or industry is generally long-term;

(3) The extent to which collective bargaining takes place on matters other than employee benefit plans between the employee organization and

the employers maintaining the plan; and

(4) The extent to which the administrative burden and expense of providing benefits through single employer plans would be greater than through a multi-employer plan.

2510.3-38 Filing requirements for State registered investment advisers to be investment managers.

(a) *General.* Section 3(38) of the Act sets forth the criteria for a fiduciary to be an investment manager for purposes of section 405 of the Act. Subparagraph (B)(ii) of section 3(38) of the Act provides that, in the case of a fiduciary who is not registered under the Investment Advisers Act of 1940 by reason of paragraph (1) of section 203A(a) of such Act, the fiduciary must be registered as an investment adviser under the laws of the State in which it maintains its principal office and place of business, and, at the time the fiduciary files registration forms with such State to maintain the fiduciary's registration under the laws of such State, also files a copy of such forms with the Secretary of Labor. The purpose of this section is to set forth the exclusive means for investment advisers to satisfy the filing obligation with the Secretary described in subparagraph (B)(ii) of section 3(38) of the Act.

(b) *Filing requirement.* To satisfy the filing requirement with the Secretary in section 3(38)(B)(ii) of the Act, a fiduciary must be registered as an investment adviser with the State in which it maintains its principal office and place of business and file through the Investment Adviser Registration Depository (IARD), in accordance with applicable IARD requirements, the information required to be registered and maintain the fiduciary's registration as an investment adviser in such State. Submitting to the Secretary investment adviser registration forms filed with a State does not constitute compliance with the filing requirement in section 3(38)(B)(ii) of the Act.

(c) *Definitions.* For purposes of this section, the term "Investment Adviser Registration Depository" or "IARD" means the centralized electronic depository described in 17 CFR 275.203-1.

§ 2510.3-40 Plans Established or Maintained Under or Pursuant to Collective Bargaining Agreements Under Section 3(40)(A) of ERISA.

(a) *Scope and purpose.* Section 3(40)(A) of the Employee Retirement Income Security Act of 1974 (ERISA) provides that the term “multiple employer welfare arrangement” (MEWA) does not include an employee welfare benefit plan that is established or maintained under or pursuant to one or more agreements that the Secretary of Labor (the Secretary) finds to be collective bargaining agreements. This section sets forth criteria that represent a finding by the Secretary whether an arrangement is an employee welfare benefit plan established or maintained under or pursuant to one or more collective bargaining agreements. A plan is established or maintained under or pursuant to collective bargaining if it meets the criteria in this section. However, even if an entity meets the criteria in this section, it will not be an employee welfare benefit plan established or maintained under or pursuant to a collective bargaining agreement if it comes within the exclusions in the section. Nothing in or pursuant to this section shall constitute a finding for any purpose other than the exception for plans established or maintained under or pursuant to one or more collective bargaining agreements under section 3(40) of ERISA. In a particular case where there is an attempt to assert state jurisdiction or the application of state law with respect to a plan or other arrangement that allegedly is covered under Title I of ERISA, the Secretary has set forth a procedure for obtaining individualized findings at 29 CFR part 2570, subpart H.

(b) *General criteria.* The Secretary finds, for purposes of section 3(40) of ERISA, that an employee welfare benefit plan is “established or maintained under or pursuant to one or more agreements which the Secretary finds to be collective bargaining agree-

ments” for any plan year in which the plan meets the criteria set forth in paragraphs (b)(1), (2), (3), and (4) of this section, and is not excluded under paragraph (c) of this section.

(1) The entity is an employee welfare benefit plan within the meaning of section 3(1) of ERISA.

(2) At least 85% of the participants in the plan are:

(i) Individuals employed under one or more agreements meeting the criteria of paragraph (b)(3) of this section, under which contributions are made to the plan, or pursuant to which coverage under the plan is provided;

(ii) Retirees who either participated in the plan at least five of the last 10 years preceding their retirement, or

(A) Are receiving benefits as participants under a multiemployer pension benefit plan that is maintained under the same agreements referred to in paragraph (b)(3) of this section, and

(B) Have at least five years of service or the equivalent under that multiemployer pension benefit plan;

(iii) Participants on extended coverage under the plan pursuant to the requirements of a statute or court or administrative agency decision, including but not limited to the continuation coverage requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985, sections 601-609, 29 U.S.C. 1169, the Family and Medical Leave Act, 29 U.S.C. 2601 *et seq.*, the Uniformed Services Employment and Reemployment Rights Act of 1994, 38 U.S.C. 4301 *et seq.*, or the National Labor Relations Act, 29 U.S.C. 158(a)(5);

(iv) Participants who were active participants and whose coverage is otherwise extended under the terms of the plan, including but not limited to extension by reason of self-payment, hour bank, long or short-term disability, furlough, or temporary unemployment, provided that the charge to the individual for such extended coverage is no more than the applicable premium under section 604 of the Act;

(v) Participants whose coverage under the plan is maintained pursuant to a reciprocal agreement with one or more other employee welfare benefit plans that are established or maintained under or pursuant to one or
