(a) Explain the exemption transaction and summarize the information received by the Department in support of the exemption;

(b) Specify any conditions under which the exemption is proposed;

(c) Inform interested persons of their right to submit comments in writing to the Department relating to the proposed exemption and establish a deadline for receipt of such comments;

(d) If the proposed exemption includes relief from the prohibitions of section 406(b) of ERISA, section 4975(c)(1)(E) or (F) of the Code, or section 8477(c)(2) of FERSA, inform interested persons of their right to request a hearing under § 2570.46 of this part and establish a deadline for receipt of requests for such hearings.

**§ 2570.43 Notification of interested persons by applicant.**

(a) If, as set forth in the exemption application, the notification that an applicant intends to provide to interested persons upon publication of a notice of proposed exemption in the FEDERAL REGISTER is inadequate, the Department will so inform the applicant and will secure the applicant's written agreement to provide what it considers to be adequate notice under the circumstances.

(b) If a notice of proposed exemption is published in the FEDERAL REGISTER in accordance with § 2570.42 of this part, the applicant must notify interested persons of the pendency of the exemption in the manner and time period specified in the application or in any superseding agreement with the De-

partment. Any such notification must include:

(1) A copy of the notice of proposed exemption; and

(2) A supplemental statement in the following form:

You are hereby notified that the United States Department of Labor is considering granting an exemption from the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974, the Internal Revenue Code of 1986, or the Federal Employees' Retirement System Act of 1986. The exemption under consideration is explained in the enclosed Notice of Proposed Exemption. As a person who may be affected by this exemption, you have the right to comment on the proposed exemption by [date].<sup>1</sup> [If you may be adversely affected by the grant of the exemption, you also have the right to request a hearing on the exemption by [date].]<sup>2</sup>

The Department will make no final decision on the proposed exemption until it reviews all comments received in response to the enclosed notice. If the Department decides to hold a hearing on the exemption before making its final decision, you will be notified of the time and place of the hearing.

(c) The method used to furnish notice to interested persons must be reasonably calculated to ensure that interested persons actually receive the notice. In all cases, personal delivery and delivery by first-class mail will be considered reasonable methods of furnishing notice.

<sup>1</sup>The applicant will write in this space the date of the last day of the time period specified in the notice of proposed exemption.

**§ 2570.44**

(d) After furnishing the notice required by this section, an applicant must provide the Department with a statement confirming that notice was furnished to the persons and in the manner and time designated in its exemption application or in any superseding agreement with the Department. This statement must be accompanied by a declaration under penalty of perjury attesting to the truth of the information provided in the statement and signed by a person qualified under §2570.34(b)(5) of these procedures to sign such a declaration. No exemption will be granted until such a statement and its accompanying declaration have been furnished to the Department.

**§ 2570.44 Withdrawal of exemption applications.**

(a) An applicant may withdraw his application for an exemption at any time by informing the Department, either orally or in writing, of his intent to withdraw.

(b) Upon receiving an applicant's notice of intent to withdraw an application for an individual exemption, the Department will confirm by letter the applicant's withdrawal of the application and will terminate all proceedings relating to the application. If a notice of proposed exemption has been published in the FEDERAL REGISTER, the Department will publish a notice withdrawing the proposed exemption.

(c) Upon receiving an applicant's notice of intent to withdraw an application for a class exemption or for an individual exemption that is being considered with other applications as a request for a class exemption, the Department will inform any other applicants for the exemption of the withdrawal. The Department will continue to process other applications for the same exemption. If all applicants for a particular class exemption withdraw their applications, the Department may either terminate all proceedings relating to the exemption or propose the exemption on its own motion.

(d) If, following the withdrawal of an exemption application, an applicant decides to reapply for the same exemption, he may submit a letter to the Department requesting that the application be reinstated and referring to the

(b) A request for reconsideration of a previously denied application must be made within 180 days after the issuance of the final denial letter and must be accompanied by a copy of the Department's final letter denying the exemption and a statement setting forth the new information and/or arguments that provide the basis for reconsideration.

(c) A request for reconsideration must also be accompanied by a declaration under penalty of perjury attesting to the truth of the new information provided, which is signed by a person qualified under §2570.34(b)(5) of these procedures to sign such a declaration.
