In such circumstances the provisions of § 13.6 shall apply.

(b) In cases where State or local governments, or both, utilized their own services, personnel, equipment, and facilities to provide protection for an extraordinary protective need, and no request for protective assistance pursuant to § 13.4 was made because the extraordinary protective need occurred prior to the promulgation of this part but after July 1, 1974, an application by such government to the Assistant Secretary for reimbursement otherwise conforming to the requirements of this part will be considered.
