§ 537.409 Approval or other facilitation of a foreign person's investment.

(a) The prohibition contained in § 537.202 against approval or other facilitation of a foreign person's investment in Burma bars any action by a U.S. person that assists or supports a foreign person's activity that would constitute prohibited new investment under § 537.201 if engaged in by a U.S. person. This facilitation prohibition is subject to the exemption for trade in goods, services and technology set forth in § 537.204.

An independent U.S. contractor, however, may perform brokerage, financing, or guarantee services if under a service contract meeting the conditions of § 537.204.

(2) The sale to a foreign person of a U.S. person's equity or income interest in a development project in Burma constitutes facilitation of that foreign person's investment in Burma, unless pursuant to a pre-effective date agreement. Such a sale, however, is authorized by general license under § 537.504.

(3) A U.S. national or permanent resident alien employed in Burma or in a third country by a foreign person may participate in any decision-making role in an activity by the foreign person that includes economic development of resources located in Burma as exempt employment services pursuant to § 537.204, unless such services are undertaken pursuant to a post-effective date agreement between the foreign person and the Government of Burma or a nongovernmental entity in Burma and:
