Subpart D—Entry Regulations for Naval Installations and Property in Puerto Rico

SOURCE: 46 FR 22756, Apr. 21, 1981, unless otherwise noted.

§ 770.35 Purpose.

The purpose of this subpart is to promulgate standard regulations and procedures governing entry upon U.S. Naval installations and properties in Puerto Rico.

§ 770.36 Definitions.

For purposes of these regulations, U.S. Naval installations and properties in Puerto Rico include, but are not limited to, the U.S. Naval Station, Roosevelt Roads (including the Vieques Island Eastern Annexes, consisting of Camp Garcia, the Eastern Maneuver Area, and the Inner Range); the Naval Ammunition Facility, Vieques Island; and the Naval Security Group Activity, Sabana Seca.

§ 770.37 Background.

In accordance with 32 CFR 765.4, Naval installations and properties in Puerto Rico are not open to the general public, *i.e.*, they are "closed" military bases. Therefore admission to the general public is only by the permission of the respective Commanding Officers in accordance with their respective installation instructions.

§ 770.38 Entry restrictions.

Except for duly authorized military personnel and civilian employees, including contract employees, of the United States in the performance of their official duties, entry upon any U.S. Navy installation or property in Puerto Rico at anytime, by any person for any purpose whatsoever without the advance consent of the Commanding Officer of the installation or property concerned, or an authorized representative of that Commanding Officer, is prohibited.
