

§ 135.213 Qualification as self-insurer.

(a) Qualification for self insurance must be supported by a copy of the self-insurer's current balance sheet, income statement, and statement of changes in financial position that are certified by an independent Certified Public Accountant and must be accompanied by either:

(1) An additional statement confirming that the self-insurer's current U.S. assets, including those of consolidated subsidiaries held in the U.S., not including pledged assets or stock not publicly traded, exceed the current U.S. liabilities, and the self-insurers net worth exceeds the amount of the requested self-insurance; or

(2) A statement, based on an analysis of the self-insurer's financial position, which shows that sufficient assets or cash flow, other than which might be damaged as a result of a pollution incident, are available which may be liquidated to provide the funds necessary to retire a claim for the amount of the self-insurance without placing the self-insurer in an insolvent position.

(b) The statements required by paragraphs (a) (1) and (2) of this section must be prepared and submitted by the involved Certified Public Accountant when the required financial statements are prepared in consolidated form and the liability represents less than the full financial backing of the consolidated entity, otherwise they may be prepared and submitted by the Treasurer or equivalent official.
