§ 151.27 **Plan submission and approval.**

(a) No manned ship subject to this part may operate unless it carries on board a shipboard oil pollution emergency plan approved by the Coast Guard. An unmanned ship subject to this regulation must carry the notification list required in §151.26(b)(3) on board in the documentation container; remaining sections of the plan must be maintained on file at the home office. For new ships, plans must be submitted at least 90 days before the ship intends to begin operations.

(b) An owner or operator of a ship to which this part applies shall prepare and submit one English language copy of the shipboard oil pollution emergency plan to Commandant (G-MOR), U.S. Coast Guard, 2100 Second Street SW., Washington, DC 20593-0001.

(c) An owner or operator with multiple ships to which this part applies may submit one plan for each type of ship with a separate ship-specific appendix for each vessel covered by the plan.

(d) Combined shipboard oil pollution emergency plans and response plans meeting the requirements of subparts

D and E of part 155 of this chapter must be prepared according to §155.1030(j) of this chapter.

(e) If the Coast Guard determines that the plan meets all requirements of this section, the Coast Guard will notify the owner or operator of the ship and return a copy of the approved plan along with an approval letter. The approval period for a plan expires 5 years after the plan approval date.

(f) If the Coast Guard determines that the plan does not meet all of the requirements, the Coast Guard will notify the owner or operator of the plan's deficiencies. The owner or operator must then resubmit two copies of the revised plan, or corrected portions of the plan, within time period specified in the written notice provided by the Coast Guard.

§ 151.28 **Plan review and revision.**

(a) An owner or operator of a ship to which this subpart applies must review the shipboard oil pollution emergency plan annually and submit a letter to Commandant (G-MOR) certifying that the review has been completed. This review must occur within 1 month of the anniversary date of Coast Guard approval of the plan.

(b) The owner or operator shall submit any plan amendments to Commandant (G-MOR) for information or approval.

(c) The entire plan must be resubmitted to Commandant (G-MOR) for re-approval 6 months before the end of the Coast Guard approval period identified in §151.27(e) of this subpart.

(d) A record of annual review and changes to the plan must be maintained in the last appendix of section six of the plan.

(e) Except as provided in paragraph (f) of this section, revisions must receive prior approval by the Coast Guard before they can be incorporated into the plan.

(f) Revisions to the seventh section of the plan and the appendices do not require approval by the Coast Guard. The
