The coordinator will be the central coordinating officer for the historical records grant program in the State and should serve as chair of the board unless otherwise specified in the State statute or regulation. The coordinator is not deemed to be an official or employee of the Federal Government and will receive no Federal compensation for such service. The "Manual of Suggested Practices for State Historical Records Coordinators and State Historical Records Advisory Boards" which is available from the Commission and from State historical records coordinators, provides further information on the role of the coordinator. (c) *Replacement.* In the event of the resignation of the coordinator or other inability to serve, a deputy coordinator, if one has been designated, will serve as acting coordinator until the governor makes an appointment. In the absence of a deputy coordinator, the NHPRC will recognize an acting coordinator, selected by the State board, who will serve until the governor appoints a coordinator in order to conduct the necessary business of the board.

**§ 1206.40 What types of funding and cost sharing arrangements does the Commission make?**

(a) *Types of grants.* (1) *Matching grant.* A matching grant is a way to demonstrate shared Federal/non-Federal

support for projects. We will only match funds raised from non-Federal sources, either monies provided by the applicant's own institution specifically for the project or from a non-Federal third-party source.

(2) *Outright grant.* Outright grants are those awards we make without any matching component.

(b) *Cost sharing arrangements.* (1) For publications projects that first received NHPRC funding prior to 1992, the Commission will supply as much as 75 percent of the direct costs.

(2) For publications projects funded after 1992, the Commission will provide no more than 50 percent of direct costs. We will give preference to projects for which the sponsoring institution bears at least 25 percent of the direct costs. For short-term (i.e., 3 years or less) publications projects, we will give preference to applicants that provide at least 50 percent of the project's total direct and indirect costs.

(3) For records projects, the Commission will give preference to projects in which the applicants provide at least 50 percent of the project's total direct and indirect costs.

(4) We prefer the applicant cover indirect costs through cost sharing.

**§ 1206.42 Does the Commission ever place conditions on its grants?**

In making its decisions on grants, the Commission may place certain conditions on its grants. We describe those possible conditions in the booklet *Grant Guidelines: How to Apply for NHPRC Grants, How to Administer NHPRC Grants*.
