

§ 230.21

Assistance Act of 1978, as amended (16 U.S.C. 2105). The scope of this authority includes the provision of technical, financial, and related assistance to State and local governments, non-profits, and other members of the public to: maintain, expand, and preserve forest and tree cover; expand research and education efforts related to trees and forest cover; enhance technical skills and understanding of tree maintenance and practices involving cultivation of trees, shrubs and complementary ground covers; and implementing a tree planting program to complement urban tree maintenance and open space programs. The Secretary has delegated the authority for implementing the program to the Chief of the Forest Service under 7 CFR 2.60(a)(16).

§ 230.21 Implementation of the program.

(a) The Urban and Community Forestry Assistance Program is implemented through the Forest Service Grants, Cooperative Agreements, and Other Agreements Program (FSM 1580) and the Grants, Cooperative Agreements, and Other Agreements Handbook (FSH 1509.11). The Forest Service Manual and Handbook are available from the Forest Service internet homepage or at National Forest offices.

(b) The Forest Service, under the authority of the Cooperative Forestry Assistance Act of 1978 and through the Urban and Community Forestry Assistance Program, coordinates financial, technical, and related assistance with the Natural Resources Conservation Service for the Urban Resources Partnership initiative. The Natural Resources Conservation Service provides similar assistance through the Urban Resources Partnership initiative under the authority of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590a-590f). The Urban Resources Partnership is an initiative in which Federal agencies, in cooperation with State and local agencies, community groups, and non-governmental organizations endeavor to be more effective, responsive, and efficient in working together to protect, improve, and rehabilitate the environment in urban areas of the Nation. Subpart C—Forest Land Enhancement Program

SOURCE: 68 FR 34314, June 9, 2003, unless otherwise noted.

§ 230.30 Purpose and scope.

(a) The regulations in this subpart govern the operation of the Forest Land Enhancement Program (hereafter, FLEP) as provided in Section 4 of the Cooperative Forestry Assistance Act (16 U.S.C. 2101 *et seq.*), as amended by title VIII of the Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171). The purpose of FLEP is to provide a coordinated and cooperative Federal, State, and local sustainable forestry program for the establishment, management, maintenance, enhancement, and restoration of forests on nonindustrial private forest land.

(b) The educational assistance, resource management expertise, and financial assistance provided under FLEP shall complement any existing Federal or State programs or programs offered through institutions of higher learning providing assistance to nonindustrial private forest landowners. FLEP promotes improved coordination and cooperation among Federal, State, and local programs regarding the establishment, maintenance, enhancement, and restoration of nonindustrial private forestlands.

(c) Participation in FLEP is voluntary on the part of both the State and the nonindustrial forest landowner. To participate, each State must have nonindustrial private forest lands, a State Forester or equivalent, and a State Forest Stewardship Coordinating Committee.
