§ 101-26.310

(c) Sufficient funds should be reserved by the requisitioner to cover expenses incurred by GSA in export packing, marking, documentation, etc. GSA will assess a surcharge on all material ordered and delivered to customers in certain overseas areas. The surcharge is a percentage factor of the value of the material shipped. Information on the specific areas and the current percentage of surcharge is included in the GSA Handbook, Discrepancies or Deficiencies in GSA or DOD Shipments, Material, or Billings (FPMR 101-26.8). The surcharge is a percentage factor of the value of the material shipped. Information on the current percentage of surcharge may be obtained from the GSA regional office to which orders are submitted.

(2) Carriers within the continental United States, when other than GSA or DOD pays the transportation charges.

§ 101-26.308 Obtaining filing cabinets.

Each agency head, after taking actions prescribed in §101-25.302-2, shall determine agency requirements for filing cabinets. § 101-26.309 Cancellation of orders for GSA stock items.

When an agency determines that material ordered from GSA is not required, GSA will accept requests for cancellation as long as the items ordered have not been shipped. However, since processing cancellations is costly and interferes with normal order processing, agencies are cautioned to use discretion in requesting cancellation of low dollar value orders. Cancellation of orders may be accomplished by agencies through written, telegraphic, or telephonic communication with the GSA regional office to which the order was sent. However, telephonic communication should be used whenever feasible to forestall shipment of material and subsequent billing by GSA. If material has been shipped, GSA will advise that cancellation cannot be effected and agency requests for return for credit will be processed under the provisions of §§101-26.310 and 101-26.311.

§ 101-26.310 Ordering errors.

In accordance with the provisions of this §101-26.310, GSA may authorize agencies to return for credit material that has been ordered in error by the agency. Material shipped in error by GSA is subject to the provisions of the GSA Handbook, Discrepancies or Deficiencies in GSA or DOD Shipments, Material, or Billings (FPMR 101-26.8).
