

§ 101-30.103

(a) To provide for the maintenance of a uniform Federal supply catalog system and the conversion to and exclusive use of this system by all Federal agencies.

(b) To name, describe, identify, classify, and number each item of personal property to be included in the Federal Catalog System so that the same items will have a single Federal item identification within and among the organizational elements of all Federal agencies.

(c) To collect, maintain, and publish such Federal catalog data and related supply management data as may be determined necessary or desirable to reflect such benefits to supply management as:

(1) Assistance in standardization of supplies and equipment;

(2) Disclosure of interchangeability and substitutability of items;

(3) Reduction in inventories of stock and increased rates of turnover;

(4) Increase in vendor competition and broader sources of supply;

(5) Provision of data for determining the most effective and economical method of item management on a Federal agency systemwide basis;

(6) Enhance item entry control;

(7) Facilitation of better interagency and intra-agency use of supplies, equipment, and excess stocks, and more exact identification of surplus personal property; and

(8) Assistance in providing precise statistics for budget and financial accounting purposes.

§ 101-30.103 Responsibilities.

§ 101-30.103-1 General.

(a) The provisions of section 206 of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 487) authorize the Administrator of General Services to establish and maintain a uniform Federal Catalog System to identify and classify personal property under the control of Federal agencies. Under this law each Federal agency is required to utilize the uniform Federal Catalog System, except as the Administrator of General Services shall oth-

erwise provide, taking into consideration efficiency, economy, and other interests of the Government.

(b) The Defense Cataloging and Standardization Act (chapter 145, title 10, U.S. Code) authorizes the Secretary of Defense to develop a single supply catalog system for the Department of Defense.

(c) Both laws require that the Administrator of General Services and the Secretary of Defense shall coordinate the cataloging activities of GSA and the Department of Defense to avoid unnecessary duplication.

§ 101-30.103-2 Agency responsibilities.

(a) Each civil agency shall:

(1) Participate in the preparation and maintenance of the civil agency portion of the Federal Catalog System and in the conversion to and utilization of this system, and

(2) Comply with the policies, principles, rules, and procedures of the Federal Catalog System as prescribed in this part 101-30.

(b) Adherence by the Department of Defense to the single supply catalog system developed for the military departments under chapter 145, title 10, U.S. Code, shall be deemed to constitute full coordination of cataloging activities with GSA.

Subpart 101-30.2—Cataloging Handbooks and Manuals

§ 101-30.201 General.

(a) This subpart describes the cataloging handbooks and manuals prepared by the Defense Logistics Agency, Department of Defense, in coordination with GSA.

(b) The following basic cataloging handbooks and manuals are available for purchase from the Superintendent of Documents, Government Printing Office, Washington, DC 20402. The requirements of these publications shall be followed by all cataloging activities participating in the Federal Catalog System.
