Subpart A—General

§ 102–117.5 What is transportation management?

Transportation management is agency oversight of the physical movement of commodities, household goods (HHG) and other freight from one location to another by a transportation service provider (TSP).

§ 102–117.10 What is the scope of this part?

This part addresses shipping freight and household goods worldwide. Freight is property or goods transported as cargo. Household goods are not Government property, but are employees' personal property entrusted to the Government for shipment.
