§ 102-34.165 How can we get a new license plate code designation?

To get a new license plate code designation, write to the: General Services Administration, Attn: MTV, Washington, DC 20405. Email: vehicle.policy@gsa.gov

§ 102-34.170 Are there special licensing procedures for motor vehicles operating in the District of Columbia (DC)?

Yes. DC Code, section 40-102(d)(2), requires the issuance of license plates, without charge, for all motor vehicles owned or leased by the Government at the time the motor vehicle is registered or reregistered.

(a) You must register motor vehicles that are regularly based or operated in DC with the DC Department of Transportation. Your application to register must include a manufacturer's Certificate of Origin, bill of sale, or other document attesting Government ownership. Forms for registering motor vehicles are available from the District of Columbia, Department of Transportation.

(b) Motor vehicles owned or leased by the Government and licensed in the District of Columbia may have the letter code designation prescribed in § 102-34.160 stenciled in the blank space beside the embossed numbers. If you add a letter code designation, stencil it on the license plate so that the letters resemble the embossed numbers in size and color. License plates issued by the District of Columbia without an agency letter code designation will usually have the letter code designation "US".

(c) Transfer of U.S. Government license plates issued by the District of

Columbia between your agency's own motor vehicles requires prior approval from the District of Columbia, Department of Transportation.

(d) You must have each registered motor vehicle inspected annually according to section 40-204 of the District of Columbia Code and applicable regulations. The District of Columbia issues an inspection verification sticker for each motor vehicle that passes inspection. Inspections and stickers are free.

(e) Return damaged or mutilated license plates to the District of Columbia, Department of Transportation, for cancellation. Also return license plates when you transfer a motor vehicle regularly based or operated in the District of Columbia to operation in a field area, another agency, or remove the motor vehicle from Government service.
