

Federal Management Regulation

§ 102-37.260

(c) A detailed description of how the aircraft or vessel will be used, its purpose, how often and for how long. If an aircraft is requested for flight purposes, the donee must specify a source of pilot(s) and where the aircraft will be housed. If an aircraft is requested for cannibalization, the donee must provide details of the cannibalization process, how recovered parts are to be used, method of accounting for usable parts, disposition of unsalvageable parts, etc.) If a vessel is requested for waterway purposes, the donee must specify a source of pilot(s) and where the vessel will be docked. If a vessel is requested for permanent docking on water or land, the donee must provide details of the process, including the time to complete the process; and

(d) Any supplemental information (such as geographical area and population served, number of students enrolled in educational programs, etc.) supporting the donee's need for the aircraft or vessel.

§ 102-37.235 What type of information must a SASP provide when requesting surplus property for cannibalization?

When a donee wants surplus property to cannibalize, include the following statement on the SF 123: "Line Item Number(s) _____ requested for cannibalization.". In addition to including this statement, provide a detailed justification concerning the need for the components or accessories and an explanation of the effect removal will have on the item. GSA will approve requests for cannibalization only when it is clear from the justification that disassembly of the item for use of its component parts will provide greater potential benefit than use of the item in its existing form.

§ 102-37.240 How must a transfer request for surplus firearms be justified?

To justify a transfer request for surplus firearms, the requesting SASP must obtain and submit to GSA a letter of intent from the intended donee that provides:

(a) Identification of the donee applicant, including its legal name and com-

plete address and the name, title, and telephone number of its authorized representative;

(b) The number of compensated officers with the power to apprehend and to arrest;

(c) A description of the firearm(s) requested;

(d) Details on the planned use of the firearm(s); and

(e) The number and types of donated firearms received during the previous 12 months through any other Federal program.

CUSTODY, CARE, AND SAFEKEEPING

§ 102-37.245 What must a SASP do to safeguard surplus property in its custody?

To safeguard surplus property in your custody, you must provide adequate protection of property in your custody, including protection against the hazards of fire, theft, vandalism, and weather.

§ 102-37.250 What actions must a SASP take when it learns of damage to or loss of surplus property in its custody?

If you learn that surplus property in your custody has been damaged or lost, you must always notify GSA and notify the appropriate law enforcement officials if a crime has been committed.

§ 102-37.255 Must a SASP insure surplus property against loss or damage?

No, you are not required to carry insurance on Federal surplus property in your custody. However, if you elect to carry insurance and the insured property is lost or damaged, you must submit a check made payable to GSA for any insurance proceeds received in excess of your actual costs of acquiring and rehabilitating the property prior to its loss, damage, or destruction.

DISTRIBUTION OF PROPERTY

§ 102-37.260 How must a SASP document the distribution of surplus property?

All SASPs must document the distribution of Federal surplus property on forms that are prenumbered, provide for donees to indicate the primary
