DONATION OVERVIEW

§ 102-37.30 When does property become available for donation?

Excess personal property becomes available for donation the day following the surplus release date. This is the point at which the screening period has been completed without transfer to a Federal agency or other eligible recipient, and the GSA has determined the property to be surplus.

§ 102-37.35 Who handles the donation of surplus property?

(a) The SASPs handle the donation of most surplus property to eligible donees in their States in accordance with this part.

(b) The GSA handles the donation of surplus property to public airports under a program administered by the Federal Aviation Administration (FAA) (see subpart F of this part). The GSA may also donate to the American National Red Cross surplus property that was originally derived from or through the Red Cross (see subpart G of this part).

(c) Holding agencies may donate surplus property that they would otherwise abandon or destroy directly to public bodies in accordance with subpart H of this part.

§ 102-37.40 What type of surplus property is available for donation?

All surplus property (including property held by working capital funds established under 10 U.S.C. 2208 or in similar funds) is available for donation to eligible recipients, except for property in the following categories:

(a) Agricultural commodities, food, and cotton or woolen goods determined from time to time by the Secretary of Agriculture to be commodities requiring special handling with respect to price support or stabilization.

(b) Property acquired with trust funds (e.g., Social Security Trust Funds).

(c) Non-appropriated fund property.

(d) Naval vessels of the following categories: Battleships, cruisers, aircraft carriers, destroyers, and submarines.

(e) Vessels of 1500 gross tons or more which the Maritime Administration determines to be merchant vessels or capable of conversion to merchant use.

(f) Records of the Federal Government.

(g) Property that requires reimbursement upon transfer (such as abandoned or other unclaimed property that is found on premises owned or leased by the Government).

(h) Controlled substances.

(i) Items as may be specified from time to time by the GSA Office of Governmentwide Policy.

§ 102-37.45 How long is property available for donation screening?

Entities authorized to participate in the donation program may screen property, concurrently with Federal agencies, as soon as the property is reported as excess up until the surplus release date. The screening period is normally 21 calendar days, except as noted in § 102-36.95 of this chapter.

§ 102-37.50 What is the general process for requesting surplus property for donation?

The process for requesting surplus property for donation varies, depending on who is making the request.

(a) Donees should submit their requests for property directly to the appropriate SASP.

(b) SASPs and public airports should submit their requests to the appropriate GSA regional office. Requests must be submitted on a Standard Form (SF) 123, Transfer Order Surplus Personal Property, or its electronic equivalent. Public airports must have FAA certify their transfer requests prior to submission to GSA for approval. GSA may ask SASPs or public airports to submit any additional information required to support and justify transfer of the property.

(c) The American National Red Cross should submit requests to GSA as described in subpart G of this part.
