(1) The agency must give GSA written notice at least four months prior to termination.

(2) The agency is responsible for reimbursing GSA for the unpaid balance of the cost of tenant improvements, generally prior to GSA releasing the agency from the space assignment. In the event the customer agency received a rent concession (*e.g.*, free rent) at the inception of the assignment as part of the consideration for the entire lease term, then the amount of the concession applicable to the remaining term must be repaid to GSA.

(3) If the space to be vacated is ready for occupancy by another customer and marketable, GSA accepts the termination of assignment.

(4) If the agency has vacated all of the space and removed all personal property and equipment from the space by the cancellation date in the written notice, the agency will be released effective that date from further Rent payments.

(5) An agency may terminate a GSA space assignment with less than a four-month advance written notice to GSA, if:

(i) Either GSA or the terminating agency has identified another agency customer for the assigned space and that substitute agency wants and is able to fully assume the Rent payments due from the terminating agency; and

(ii) The terminating agency continues to pay Rent until the new agency starts paying Rent.

requirements or space layouts made by the agency after a lease, alteration, design, or construction contract has been awarded by GSA.

§ 102-85.85 What if a customer agency participates in a consolidation?

If an agency agrees to participate in a consolidation upon expiration of an OA, the relocation expenses will be addressed in the new OA negotiated by GSA and the customer agency. The customer agency generally pays such costs.

Subpart C—Tenant Improvement Allowance

§ 102-85.90 What is a tenant improvement allowance?

A tenant improvement (TI) allowance enables the customer agency to design, configure and build out space to support its program operations. It is based on local market construction costs and the specific bureau's historical use of space. (See also the definition at § 102-85.35.)

§ 102-85.95 Who pays for the TI allowance?

The customer agency pays for the amount of the tenant improvement allowance actually used.

§ 102-85.100 How does a customer agency pay for tenant improvements?

To pay for the installation of tenant improvements, the customer agency may spend an amount not to exceed the tenant allowance. The amount spent by the customer agency for TIs is amortized over a period of time specified in the OA, not to exceed the useful life of the improvements. This amortization payment is in addition to the shell rent and services.

§ 102-85.105 How does an agency pay for customer alterations that exceed the TI allowance?

Amounts exceeding the TI allowance are paid in a one-time lump sum and are not amortized over the term of the occupancy. The agency certifies lump sum funds are available prior to GSA proceeding with the work.
