

Commission, and other Federal agencies that apply to employment in sensitive positions subject to such regulations.

(b) *Drug testing*—(1) *General policy.* For purposes of this part, a test to determine the illegal use of drugs is not considered a medical examination. Thus, the administration of such drug tests by the contractor to its job applicants or employees is not a violation of § 60-741.23. Nothing in this part shall be construed to encourage, prohibit, or authorize the contractor to conduct drug tests of job applicants or employees to determine the illegal use of drugs or to make employment decisions based on such test results.

(2) *Transportation employees.* Nothing in this part shall be construed to encourage, prohibit, or authorize the otherwise lawful exercise by contractors subject to the jurisdiction of the Department of Transportation of authority to test employees in, and applicants for, positions involving safety-sensitive duties for the illegal use of drugs or for on-duty impairment by alcohol; and remove from safety-sensitive positions persons who test positive for illegal use of drugs or on-duty impairment by alcohol pursuant to paragraph (b)(1) of this section.

(3) Any information regarding the medical condition or history of any employee or applicant obtained from a test to determine the illegal use of drugs, except information regarding the illegal use of drugs, is subject to the requirements of §§ 60-741.23(b)(5) and (c).

**§ 60-741.25 Health insurance, life insurance and other benefit plans.**

(a) An insurer, hospital, or medical service company, health maintenance organization, or any agent or entity that administers benefit plans, or similar organizations may underwrite risks, classify risks, or administer such risks that are based on or not inconsistent with State law.

(b) The contractor may establish, sponsor, observe or administer the terms of a bona fide benefit plan that are based on underwriting risks, classifying risks, or administering such risks that are based on or not inconsistent with State law.

(c) The contractor may establish, sponsor, observe, or administer the terms of a bona fide benefit plan that is not subject to State laws that regulate insurance.

(d) The contractor may not deny a qualified individual with a disability equal access to insurance or subject a qualified individual with a disability to different terms or conditions of insurance based on disability alone, if the disability does not pose increased risks.

(e) The activities described in paragraphs (a), (b) and (c) of this section are permitted unless these activities are used as a subterfuge to evade the purposes of this part.

**Subpart C—Affirmative Action Program**

**§ 60-741.40 Applicability of the affirmative action program requirement.**

(a) The requirements of this subpart apply to every Government contractor that has 50 or more employees and a contract of \$50,000 or more.

(b) Contractors described in paragraph (a) of this section shall, within 120 days of the commencement of a contract, prepare and maintain an affirmative action program at each establishment. The affirmative action program shall set forth the contractor's policies and procedures in accordance with this part. This program may be integrated into or kept separate from other affirmative action programs.

(c) The affirmative action program shall be reviewed and updated annually.

(d) The contractor shall submit the affirmative action program within 30 days of a request from OFCCP, unless the request provides for a different time. The contractor also shall make the affirmative action program promptly available on-site upon OFCCP's request.

**§ 60-741.41 Availability of affirmative action program.**

The full affirmative action program shall be available to any employee or applicant for employment for inspection upon request. The location and hours during which the program may

be obtained shall be posted at each establishment.

**§ 60-741.42 Invitation to self-identify.**

(a) The contractor shall, after making an offer of employment to a job applicant and before the applicant begins his or her employment duties, invite the applicant to inform the contractor whether the applicant believes that he or she may be covered by the act and wishes to benefit under the affirmative action program. The contractor may invite self-identification prior to making a job offer only when:

(1) The invitation is made when the contractor actually is undertaking affirmative action for individuals with disabilities at the pre-offer stage; or

(2) The invitation is made pursuant to a Federal, state or local law requiring affirmative action for individuals with disabilities.

(b) The invitation referenced in paragraph (a) of this section shall state that a request to benefit under the affirmative action program may be made immediately and/or at any time in the future. The invitation also shall summarize the relevant portions of the act and the contractor's affirmative action program. Furthermore, the invitation shall state that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will not be used in a manner inconsistent with the act. If an applicant so identifies himself or herself, the contractor should also seek the advice of the applicant regarding proper placement and appropriate accommodation, after a job offer has been extended. The contractor also may make such inquiries to the extent they are consistent with the ADA (e.g., in the context of asking applicants to describe or demonstrate how they would perform the job). The contractor shall maintain a separate file on persons who have self-identified and provide that file to OFCCP upon request. This information may be used only in accordance with this part. (An acceptable form for such an invitation is set forth in Appendix B of this part. Because a contractor usually may not seek advice from an applicant regard-

ing placement and accommodation until after a job offer has been extended, the invitation set forth in Appendix B of this part contains instructions regarding modifications to be made if it is used at the pre-offer stage.)

(c) Nothing in this section shall relieve the contractor of its obligation to take affirmative action with respect to those applicants or employees of whose disability the contractor has knowledge.

(d) Nothing in this section shall relieve the contractor from liability for discrimination under the act.

**§ 60-741.43 Affirmative action policy.**

Under the affirmative action obligations imposed by the act contractors shall not discriminate because of physical or mental disability and shall take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level. Such action shall apply to all employment activities set forth in § 60-741.20.

**§ 60-741.44 Required contents of affirmative action programs.**

Acceptable affirmative action programs shall contain, but not necessarily be limited to, the following ingredients:

(a) *Policy statement.* The contractor shall include an equal opportunity policy statement in its affirmative action program, and shall post the policy statement on company bulletin boards. The contractor must ensure that applicants and employees with disabilities are informed of the contents of the policy statement (for example, the contractor may have the statement read to a visually disabled individual, or may lower the posted notice so that it may be read by a person in a wheelchair). The policy statement should indicate the chief executive officer's attitude on the subject matter, provide for an audit and reporting system (see paragraph (h) of this section) and assign overall responsibility for the implementation of affirmative action activities required under this part (see paragraph (i) of this section). Additionally, the policy should state, among
