

Subpart A—Direct Awards

§ 66.101 Applicability.

The regulations in this subpart apply to National Research Service Awards made by the Secretary to individuals for research and training to undertake research, under section 487 of the Public Health Service Act, as amended (42 U.S.C. 288).

[66 FR 29499, May 31, 2001]

§ 66.102 Definitions.

As used in this subpart:

(a) *Act* means the Public Health Service Act, as amended.

(b) *Secretary* means the Secretary of Health and Human Services and any other officer or employee of the Department of Health and Human Services to whom the authority involved has been delegated.

(c) *Nonprofit* institution means a corporation or association in which no part of the net earnings inures or may lawfully inure to the benefit of any private shareholder or individual.

(d) *Award* means a National Research Service Award under section 487 of the Act (42 U.S.C. 288).

(e) *Residency* means post-graduate training for doctors of medicine, osteopathy, dentistry, optometry, and podiatry, nurses, and other individuals providing health care directly to patients, in which the majority of the time is spent in non-research clinical training.

(f) *Noncitizen national of the United States* means a person who, though not a citizen of the United States, owes permanent allegiance to the United States [8 U.S.C. 1101(a) (22)].

(g) *Predoctoral training* means training at the post-baccalaureate level in a program leading to the award of a doctor of philosophy of science, or equivalent degree. For purposes of Awards under the Minority Access to Research Careers programs of the National Institute of General Medical Sciences and the Career Opportunities in Research Education and Training programs of the National Institute of Mental Health, *predoctoral training* also means training in a program leading to the award of a baccalaureate in science or equivalent degree.

(h) *Postdoctoral training* means training of individuals holding a doctor of philosophy, science, medicine, dentistry, osteopathy, optometry, podiatry, veterinary medicine, engineering, nursing sciences, public health, or equivalent degree.

§ 66.103 Eligibility.

To be eligible for a National Research Service Award an individual must:

(a) Be a citizen, noncitizen national of the United States, or lawfully admitted to the United States for permanent residence at the time of the award.

(b) Propose to engage in such research, or training to undertake research, in a program specified in section 487(a)(1)(A) of the Act; and

(c) Propose to engage in such research or training to undertake research on a full-time basis except in cases of disability or pressing family need.

§ 66.104 Application.

(a) Eligible individuals may apply for an Award using the form and by the dates the Secretary prescribes.

(b) In addition to any other pertinent information that the Secretary may require, each application shall detail:

(1) The applicant's educational background and other qualifications and experience, including previous academic and professional degrees;

(2) The subject area of the proposed research or training;

(3) The proposed period of Award;

(4) If the proposed period of Award would provide the individual with aggregate support in excess of five years at the predoctoral level or three years at the postdoctoral level, the justification for this request; and

(5) The availability of necessary resources and facilities at the institution

where the research or training would be conducted.

§ 66.105 Requirements.

The Secretary shall make an Award to an individual under this subpart only if:

(a) For any Award made for an individual's initial twelve months of NRSA postdoctoral research or training, the individual has assured the Secretary, in the form and manner the Secretary may prescribe, that he or she will satisfy the requirements of § 66.110.

(b) If the proposed research or training would take place at an institution other than the National Institutes of Health, the institution has assured the Secretary, in the form and manner the Secretary may prescribe, that:

(1) The applicant has been accepted to the institution for the purpose of engaging in the research or training for which an Award is being sought;

(2) The Award will not be used to support a residency; and

(3) In the event an Award is made the institution will make available to the applicant any resources and facilities described in the application as necessary to carry out the research or training; and

(c) The individual has assured the Secretary, in the form and manner the Secretary may prescribe, that the Award to the individual will not be used to support a residency.

(Approved by the Office of Management and Budget under control number 0925-0002)

[48 FR 24880, June 3, 1983, as amended at 66 FR 29500, May 31, 2001]

§ 66.106 Awards.

(a) Within the limits of funds available, the Secretary shall make Awards to those applicants:

(1) Who have satisfied the requirements of § 66.105; and

(2) Whose proposed research or training would, in the judgment of the Secretary, best promote the purposes of section 487(a)(1)(A) of the Act, taking into consideration among other pertinent factors:

(i) The scientific, technical, or educational merit of the particular proposal;

(ii) The availability of resources and facilities to carry it out;

(iii) The qualifications and experience of the applicant; and

(iv) The need for personnel in the subject area of the proposed research or training.

(b) In making Awards, the Secretary shall take account of the Nation's overall need for biomedical research by giving special consideration to physicians who agree to undertake a minimum of two years of biomedical research.

(c) All Awards shall be in writing. Each shall specify:

(1) The period of the Award;

(2) The total recommended stipends and allowances provided for the entire Award period;

(3) The amount awarded for the initial year of that period (see § 66.107); and

(4) The amount of the payments to the institution for the cost of services provided the awardee by the institution during the initial year of that period (see § 66.108).

(d) Neither the approval of any application nor any Award shall commit or obligate the United States in any way to make additional, supplemental, continuation, or other Award with respect to any approved application or portion thereof.

(e) No individual may receive an aggregate of more than five years of support at the predoctoral level and three years at the postdoctoral level unless the Secretary waives, for good cause shown, this limitation for the individual. In determining what constitutes "good cause," the Secretary shall take into account such factors as whether the applicant proposes to pursue a combined program leading to the degrees of doctor of medicine and doctor of philosophy.
