

§ 2932.25

the proposed activity, including measures you will use to mitigate adverse impacts.

(b) If you are an individual or non-commercial group wishing to use a special area, contact the local office with jurisdiction to find out the requirements, if any.

§ 2932.25 What will BLM do when I apply for a Special Recreation Permit?

BLM will inform you within 30 days after the filing date of your application if we must delay a decision on issuing the permit. An example of when this could happen is if we determine that we cannot complete required environmental assessments or consultations with other agencies within 180 days.

§ 2932.26 How will BLM decide whether to issue a Special Recreation Permit?

BLM has discretion over whether to issue a Special Recreation Permit. We will base our decision on the following factors to the extent that they are relevant:

- (a) Conformance with laws and land use plans;
- (b) Public safety,
- (c) Conflicts with other uses,
- (d) Resource protection,
- (e) The public interest served,
- (f) Whether in the past you complied with the terms of your permit or other authorization from BLM and other agencies, and
- (g) Such other information that BLM finds appropriate.

§ 2932.30 Fees for Special Recreation Permits.

§ 2932.31 How does BLM establish fees for Special Recreation Permits?

(a) The BLM Director establishes fees, including minimum annual fees, for Special Recreation Permits for commercial activities, organized group activities or events, and competitive events.

(b) The BLM Director may adjust the fees as necessary to reflect changes in costs and the market, using the following types of data:

(1) The direct and indirect cost to the government;

43 CFR Ch. II (10–1–05 Edition)

(2) The types of services or facilities provided; and

(3) The comparable recreation fees charged by other Federal agencies, non-Federal public agencies, and the private sector located within the service area.

(c) The BLM Director will publish fees and adjusted fees in the FEDERAL REGISTER.

(d) The State Director with jurisdiction—

(1) Will set fees for other Special Recreation Permits (including any use of Special Areas, such as per capita special area fees applicable to all users, including private noncommercial visitors, commercial clients, and spectators),

(2) May adjust the fees when he or she finds it necessary,

(3) Will provide fee information in field offices, and

(4) Will provide newspaper or other appropriate public notice.

(e)(1) *Commercial use.* In addition to the fees set by the Director, BLM, if BLM needs more than 50 hours of staff time to process a Special Recreation Permit for commercial use in any one year, we may charge a fee for recovery of the processing costs.

(2) *Competitive or organized group/event use.* BLM may charge a fee for recovery of costs to the agency of analyses and permit processing instead of the Special Recreation Permit fee, if—

(i) BLM needs more than 50 hours of staff time to process a Special Recreation Permit for competitive or organized group/event use in any one year, and

(ii) We anticipate that permit fees on the fee schedule for that year will be less than the costs of processing the permit.

(3) *Limitations on cost recovery.* Cost recovery charges will be limited to BLM's costs of issuing the permit, including necessary environmental documentation, on-site monitoring, and permit enforcement. Programmatic or general land use plan NEPA documentation are not subject to cost recovery charges, except if the documentation work done was done for or provides special benefits or services to an identifiable individual applicant.

§ 2932.44

(f) We will notify you in writing if you need to pay actual costs before processing your application.

§ 2932.32 When must I pay the fees?

You must pay the required fees before BLM will authorize your use and by the deadline or deadlines that BLM will establish in each case. We may allow you to make periodic payments for commercial use. We will not process or continue processing your application until you have paid the required fees or installments.

§ 2932.33 When are fees refundable?

(a) *Overpayments.* For multi-year commercial permits, if your actual fees due are less than the estimated fees you paid in advance, BLM will credit overpayments to the following year or season. For other permits, BLM will give you the option whether to receive refunds or credit overpayments to future permits, less processing costs.

(b) *Underuse.* (1) Except as provided in paragraph (b)(2) of this section, for areas where BLM's planning process allocates use to commercial outfitters, or non-commercial users, or a combination, we will not make refunds for use of the areas we allocate to you in your permit if your actual use is less than your intended use.

(2) We may consider a refund if we have sufficient time to authorize use by others.

(c) *Non-refundable fees.* Application fees and minimum annual commercial use fees (those on BLM's published fee schedule) are not refundable.

§ 2932.34 When may BLM waive Special Recreation Permit fees?

BLM may waive Special Recreation Permit fees on a case-by-case basis for accredited academic, scientific, and research institutions, therapeutic, or administrative uses.

§ 2932.40 Permit stipulations and terms.

§ 2932.41 What stipulations must I follow?

You must follow all stipulations in your approved Special Recreation Permit. BLM may impose stipulations and conditions to meet management goals

and objectives and to protect lands and resources and the public interest.

§ 2932.42 How long is my Special Recreation Permit valid?

You may request a permit for a day, season of use, or other time period, up to a maximum of 10 years. BLM will determine the appropriate term on a case-by-case basis.

§ 2932.43 What insurance requirements pertain to Special Recreation Permits?

(a) All commercial and competitive applicants for Special Recreation Permits, except vendors, must obtain a property damage, personal injury, and public liability insurance policy that BLM judges sufficient to protect the public and the United States. Your policy must name the U.S. Government as additionally insured or co-insured and stipulate that you or your insurer will notify BLM 30 days in advance of termination or modification of the policy.

(b) We may also require vendors and other applicants, such as organized groups, to obtain and submit such a policy. BLM may waive the insurance requirement if we find that the vending or group activity will not cause appreciable environmental degradation or risk to human health or safety.

§ 2932.44 What bonds does BLM require for a Special Recreation Permit?

BLM may require you to submit a payment bond, a cash or surety deposit, or other financial guarantee in an amount sufficient to cover your fees or defray the costs of restoration and rehabilitation of the lands affected by the permitted use. We will return the bonds and financial guarantees when you have complied with all permit stipulations. BLM may waive the bonding requirement if we find that your activity will not cause appreciable environmental degradation or risk to human health and safety.
